## Industry Linkages & Collaborations

## Why Choose Us?

### 1. STATE-OF-THE-ART FACILITIES

**Dissection Hall:** Designed for in-depth learning of human anatomy through hands-on experience.

**Advanced Laboratories:** Equipped with cutting-edge tools and technology to develop practical skills.

**Herbal Garden:** A curated collection of medicinal plants for research and education.

**Panchakarma Procedures:** Specialized spaces for authentic Ayurvedic detoxification therapies.

### 2. ACADEMIC EXCELLENCE:

We have a team of highly qualified and experienced faculty members who are leaders in their fields. With advanced degrees from prestigious institutions and extensive experience in teaching, research, and industry, they bring unparalleled expertise to the classroom. Their dedication to academic excellence and student mentorship ensures a transformative learning experience for every student.

### 3. DIVERSITY AND INCLUSION:

Students get a chance to work and interact with people from all over the country, and the knowledge and diverse perspectives available contribute significantly to their growth.

### 4. RESEARCH AND INNOVATION:

The faculty has applied for extramural grants from sponsoring bodies like DST/SERB, the Ministry of AYUSH, ICMR, NCISM, and NMPB and has received grants for intramural-sponsored projects. Additionally, faculty has published over 50 research articles in reputed journals indexed in Scopus, WOS, etc., more than 55 book chapters and more than 5 books published encouraging students to engage in research activities under faculty guidance.

### 5. ACHIEVEMENTS:

Various awards and felicitations have been honored upon many students of FIMS with a total of 40 awards in the field of research, paper and poster competition, debates, cultural and other extracurricular events. Not only the learners but also the faculty members have been awarded through various organizations and institutions at national and international levels for their work in the field of Ayurveda.

### 6. CAREER SERVICE AND INDUSTRY PARTNERSHIPS:

Faculty provides 100% placement assistance to eligible candidates through industry mentors in the form of mock interviews, industrial Vitus, workshops, industrial internships, boot camps and networking events with potential employers Aligning students with industry requirements for placements and providing them with career services is supervised by CRC.
