## Overview

The Faculty of Nursing is a constituent of Shree Guru Gobind Singh Tricentenary University. It started with the name Dashmesh College of Nursing in 2012 and became the Faculty of Nursing with the advent of SGT University in 2013. All the courses are recognized by the Indian Nursing Council, New Delhi, and Haryana Nurses and Nurse-Midwives Council Government of Haryana. The curriculum has been planned to provide in-depth knowledge, skills, and competencies to enable the graduates to function effectively in various clinical and community settings. It also prepares the students to assume the roles of educator, researcher, Nurse manager, and administrator in an evolving Healthcare scenario. The Faculty of Nursing gives individualized attention to each student and emphasizes decorum, discipline, and conduct, which reflect dignified behavior on campus. The faculty of nursing is providing high quality academic training to enrich the students and prepare them to fulfill their career aspirations.

## What makes FNUR stand out?

- **Comprehensive Nursing Education Under One Roof** :- All nursing courses are under one roof, i.e., Ph.D Nursing, M.Sc. Nursing, Nurse Practitioner in Critical Care(NPCC), B.Sc. Nursing, Post Basic B.Sc. Nursing, GNM and ANM.
- **National Reference Simulation Centre (NRSC):** A state-of-the-art simulation center on campus, developed in collaboration with the Indian Nursing Council, Jhpiego and Laerdal Medical. This center provides advanced skill and simulation training to nursing students, enhancing their practical knowledge and clinical competencies in a controlled, high-tech environment.
- **Innovation in Healthcare:** Collaboration on live Synergy Projects, developing cutting-edge healthcare technologies such as the "Digi Health Care Bag" and "Oxidase Smart Oxygen Administration Trolley."
- **High-impact Research:** Faculty and students are actively involved in groundbreaking research, with 286 research articles published in reputed journals like Scopus, WOS, PubMed, and UGC Care. Emphasis on research and research-related activities with the active involvement of students.
- The Parent Hospital **SGT Medical College, Hospital and Research Institute**, located within the campus, is a state-of-the-art facility with over 878 beds, offering specialized and comprehensive healthcare services to meet the diverse need of the local population.
- Tie up with well-established hospitals as well as community centers to optimize the student's clinical and community experience.
- Our faculty and students consistently exhibit exceptional dedication and performance, positioning us as a leader in nursing education. Among our notable achievements that underscore our commitment to quality education and leadership is receiving the "Nursing Education and Training Excellence Award for Northern India" at the ICC National Nursing Awards 2024.

## Pedagogy

- Brainstorming Sessions
- Simulation-Based Learning
- Case Based Learning
- Peer Group Teaching
- Collaborative Learning
- Problem-based Learning
- Experiential Learning
- Project Based Learning
- E-Learning

## Career Opportunities

- Government and Private Hospitals
- Clinics, Nursing Homes & Community Setups.
- Community Health Officers
- Orphanages & Old Age Homes,
- Military Nursing Services,
- Public Health Nurse (PHN)
