## Synergy

Synergy, an annual convergence of science, technology, and innovation, is organized by SGT University. Started in 2017 to give students a place to grow and demonstrate their technological expertise. Over 20,000 people from the NCR and Haryana attended the three-day major event on campus held in October 2024, which included academics, industry experts, professional bodies, and students. Sgt College of Pharmacy won two prizes for Health care categories.
