been prepared by IQAC and shall be submitted to Pro-Vice Chancellor office for execution and implementation.

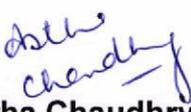

- 6) Regarding presentation by Vice Chancellor before NAAC, it was updated that powerpoint is under progress and shall be shared with Vice Chancellor soon.
- 7) Regarding presentations by Deans, It was informed that all Dean have been given a template with key points to be included for their presentation and till now none of the ppts have been received. Hence, a reminder mail shall be sent to all Deans to submit the presentations by 7<sup>th</sup> February 2020 so that they can be looked into and modified if required. It was also suggested that Deans should add Vision and mission of their faculty in their presentations. Moreover, the departments should also make the presentations of their individual department highlighting the Vision and Mission.
- 8) After initial approval, a series of presentations by Deans shall be initiated before the University authorities for improvisations and rehearsal.
- 9) It was suggested by the Vice Chancellor, that mock inspections of all faculties should be done before the actual NAAC team visit. It was then discussed that regular academic audits need to be conducted by IQAC.
- 10) Director Sir apprised that the academic audit for Dental Faculty has been initiated and proposed that a committee should be prepared for Academic audit called the "Academic Audit Committee (AAC)" with experts from each field to audit a particular discipline.
- 11) After multiple deliberations it was discussed that AAC should have:
  - i) One representative from Registrar office to understand the compliance of course curriculum with University Common Ordinance.
  - ii) One representative from Controller of examinations Office
  - iii) One external expert from nearby region of NCR preferably a member of Board of studies of a particular department
- 12) It was also deliberated that a pre-evaluation form/ guidelines should be framed for academic audit before initiating the process.
- 13) Following these discussions, some of the other agendas were also discussed with the permission of the Chair.

- 14) Director IQAC expressed that inspite of the excellent learning infrastructural facilities, Institution lacks smart class rooms. Pro- Vice Chancellor Sir updated that one of the classrooms in Commerce and Management is under progress of being converted to Smart class room and shall be made functional soon.
- 15) Other pressing issue discussed was of the movement of students and staff members in Library. Director IQAC expressed that the usage of Library in person as well as online is very less and some corrective measures need to be taken.
- 16) During deliberations, it was decided that sensitization of faculty and students about books, journals and online resources should be regularly done to improve the utilization of resources. Some of the members expressed that library hour is also included in some of the time tables of the students but it needed to be reinforced. Pro-Vice-Chancellor Sir suggested that from 1<sup>st</sup> February 2020, Library attendance shall be made mandatory on ERP.
- 17) Regarding preparations before NAAC team visit, it was also discussed that all the faculty members and students need to be motivated and sensitized about the NAAC inspection as they are the ambassadors of the Institution and should be made aware of the process.
- 18) The meeting concluded with vote of thanks from the Director IQAC.
