Faculty of Physiotherapy

**Welcomes Delegates from Binawan Instt of Health
Sciences, Indonesia**

**Under Global Immersion Programme SGT
University**

From 29TH August to 5th September 2019

Registrar
SGT University
Budhera, Gurugram

Introduction and need of day celebrated:

Faculty of physiotherapy welcomes the delegates from Binawan Institute of Health Sciences, Indonesia under the global immersion program for faculty and student exchange program Through this a bond of collaboration has been created between two institutes.

The banner is set against a dark blue background with yellow accents at the top and bottom. At the top left is the SGT University logo, a circular emblem with a book and a lamp. To its right, the text reads "SGT UNIVERSITY" in large white letters, followed by "SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY" and "(UGC & AICTE Approved) Gurugram, Delhi-NCR" in smaller white text. To the right of this is the QS IGAUGE Gold logo, which includes the QS logo and the text "IGAUGE" and "GOLD" in a yellow box. Below these logos, the text "FACULTY OF PHYSIOTHERAPY" is written in white on a black rectangular background. Underneath that, "WELCOME DELEGATES FROM JAKARTA, INDONESIA" and "(BINAWAN INSTITUTE OF HEALTH SCIENCES)" are written in white. In the center, there is a graphic of two hands shaking, rendered in a blue, wireframe style. To the left of the hands are two flags on poles: the Indonesian flag (red, white, and green) and the Indian flag (saffron, white, and green with the Ashoka Chakra). Below the flags is a small wooden base. To the right of the hands, the text "For" is written in white, followed by "FACULTY AND STUDENT EXCHANGE PROGRAMME" in large, bold, yellow letters. At the bottom right, the dates "29th August - 5th September 2019" are written in white.

Valediction

A week-long global immersion program between the Binawan institute of health sciences, Indonesia and Faculty of Physiotherapy, SGT University ended today with a great exchange of knowledge. It was an honor for SGT university to hold such programs that aim towards gaining of exposure by staff and students as well as internationalization of the programs. The valediction ceremony was graced by the presence of University dignitaries. The complete program was a huge success with the exchange of various workshops and hands-on training. The delegates were felicitated with Certificates and SGT memento as a token of remembrance

Proposal given by Binawan university

SGT University –BINAWAN University MASTER PHYSIOTHERAPY PROGRAMS

(BASED ON MINUTES OF MEETING and Further Discussion)

Registrar
SGT University
Bundara, Garutgarum

After coming back to Indonesia from India, I directly had a meeting with my team then with chancellor of University of Binawan. Both our team and Binawan chancellor agreed with our meeting and discussion when I visited your SGT University.

I need to remind you and suggestion some important points that we discussed

1. Master of Physiotherapy program:

- a. Program will be 4 (four semesters)
- b. Semester I = 10 -15 (ten- fifteen) days in India
- c. Semester II = 10-15 (ten-fifteen) days in India
- d. Semester III= 07 (seven days in India)
- e. Semester IV = 10-15 (ten-fifteen) days in India.

2. Program Curriculum:

Program curriculum will be based on Indian curriculum with Indonesian modification based on our students needs in Indonesia. In detail, this curriculum will be discussed and delivered after the MOA.

3. Team teaching:

Teaching team will be from both India and Indonesia.

- a. From Indonesia (University of Binawan) will be related to Biomedical courses
- b. From India will be related to physiotherapy specialization (Sport, neuromuscular, cardio-respiration, Women health-obgyn).

4. Fee structures:

- a. Tuition fee semester = Rs. 72,500 (Seventy two Thousand and five hundred rupees)
- b. Tuition Fees = Rs 60,000 (sixty thousand rupees) / semester II-III-IV
- c. Tuition fees / semesters will divided into two part (50% -50%) for Binawan and SGT university
- d. Each University will give a special cost 20 % (twenty present) convener. One from Indonesia and one convener from India (10%-10%)

5. Teaching staff fees:

Every faculty member from India will be paid Rs. 20, 000 (twenty thousand rupees) weekly. One or two faculty members will be in Indonesia for 2-4 weeks. All accommodation and transportation will be paid by Binawan – Indonesia. Similarly, every faculty member from Indonesia will be paid also Rs. 20, 000 (twenty thousand rupees) weekly.

For thesis, it will be discussed in the near future.

Registrar
SGT University
Batu Caves, Selangor

6. Students transportation and accommodation:

- a. Transportation from Indonesia to India will be paid by each student from Indonesia. However, airport pick-up from Indonesia and delivery to airport to Indonesia will be responsible of SGT University.
- b. Accommodation and meals in India will be provided by SGT University with cost = Rs. 500 (five hundreds) paid by Indonesian students/day/student.

7. Capacity Development for Master Physiotherapy and Internship Program

Binawan University need support for processing the permission of Ministry of Higher Education and Research for Master Physiotherapy and Internship (Physiotherapy profession education) Program

- a. Need 2-3 faculty member from Faculty of Physiotherapy, SGT university to help Binawan University in starting in Internship and Master Program in Sport cardiopulmonary and women health Ob-gyn . Dr.Sheetal Kalra ,Dr. Priyanka , Dr Sonia → documents scanning and teaching statement form
- b. Need scholarship for Indonesian Faculty (1 one person) by SGT University for getting faculty enrolled in Master Program
- c. Exchange program for a month or 2 month for academic growth and lecturer
- d. Research together between Binawan University and SGT university from any funding resources which run the research in Inonesia or India and both side location

Kindly look through in detail and please let me know if something is missing.

Thanks and regards,

Dr. Imam Waluyo

Dean of Physiotherapy University of Binawan

Conclusion:

Through this global immersion program , faculty & student exchange program ,a bond has been created between the two universities.

6. **E Brochure/Banner (if made)- NA**

7. **Objective of the Activity:**

- Clinical/ Academic exposure for our students as a part of international collaboration facilitating student mobility

8. **Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken**

Student exchange offers broad based benefits and outcomes for students keen to embark on the international adventure. Most of these are intertwined and come together to constitute the overarching exchange experience. An overseas study adventure provides students with distinct benefits as they develop responsibility, initiative and accountability. AIMST University in Malaysia invited BDS students from SGT University in Haryana, India for the study visit- Global Immersion Programme (GIP) as a part of the MOU signed between these two universities. There had been visit of students from SGT University to AIMST University, Malaysia in the year 2019 and now after a hiatus of 2 years due to pandemic, 8 BDS Intern students along with faculty representative Dr. Charu Khurana from department of Public Health Dentistry were sent for 2 weeks student mobility program to Malaysia.

Students experienced extensively preclinical workshops, discussions, demonstrations as well as observe polyclinics working in the AIMST University. They had different sessions every day in the college from 9am-5pm. On the first day, Deputy Deans – Dr SivakumarPendyala and Dr Manikandan Natarajan being coordinators of GIP in AIMST University discussed the overall 2 weeks program and showed the Faculty of Dentistry to SGT group.

The different sessions during entire GIP programme for 2 weeks were as follows:

- Oral surgery clinical observation- students exposed to clinical cases and attended

workshop on different suturing methods.

- On the 2nd day- students were sent to polyclinics where they had an exposure of different clinical periodontics, prosthodontics and endodontics cases.
- Students attended discussion on Introduction to CBCT, Technique and applications in the Oral Radiology Department
- Another session conducted for students was root planing and curettage workshop by Dr. Rajeev from Periodontics department where they were taught about Adapt, Angulate and Activate hand techniques for doing such procedures
- Students also attended community health program for which they were taken to antenatal clinic. They had a good exposure on giving oral hygiene instructions to pregnant mothers and young children.
- Another interesting workshop was organized on Rubber dam placement techniques by Dr. Rahul from endodontics department. Students had a discussion, demonstration and hands -on session as well.
- For the workshop of Maxillofacial prosthesis, Students had a discussion with Dr. Vini from prosthodontics department on scope of Maxillofacial prosthesis in dentistry. Steps in fabrication of ocular prosthesis as well as demonstration and hands-on for ocular prosthesis.
- Students also had a workshop on Rotary endodontics where they had discussion as well as hands-on on shaping of root canals using endomotor.
- Students were also taken for pedodontics clinic observation. They experienced the working of clinicians with children at their dental clinics.
- The last day morning session was about ICDAS workshop where Dr. Siva from pedodontics department explained the importance of recording dental caries based ICDAS classification and after that students also had calibration session for which they were given 10 samples of extracted teeth with different types of caries and our students had to assess the type based on ICDAS discussion
- And the last day Dean Sir- Dr. Ramesh, Deputy Deans- Dr. Sivakumar and Dr.

Manikandan had a self-reflective session with our students and felicitate with certificate in the form of token of appreciation.

- Dr. Charu Khurana, Faculty representative from SGT University gave the presentation to all the students and Faculty members at AIMST University on “Digital initiatives for oral health promotion” as a part of CDE programme and also received the certificate for the same.

9. Outcome of the Activity & its relevance to Health Sciences:

The 2 weeks student mobility programme was definitely a fruitful learning experience for our students. They had an extensive preclinical exposure and gone through different clinical hands-on sessions which is indeed beneficial for their career in dentistry.
