WORLD NATURE CONSERVATION DAY 2019

On the occasion of World Nature Conservation Day (28 th July), an awareness camp was successfully conducted by Department of Civil Engineering in the BOHRA KALAAN VILLAGE, PATAUDI on 27th July, 2019. In this camp, the students of Civil Engineering actively participated and made the villagers aware about the importance of conservation of natural resources and explained role of water conservation for sustainable development, wildlife conservation for balance in ecosystem, plants conservation for fresh air, importance of fossil fuels and their conservation for future energy needs. In this drive, school students were made aware about nature conservation and how they can contribute in conservation of nature. After that students went to many village houses for testing TDS (total dissolve solids) of their drinking water, making the villagers aware them about the role of TDS in the water.
