Other Head of Departments, faculty members, postgraduates, interns and undergraduate students from Faculty of Dental Sciences followed suit in signing the pledge board and promising to take extra efforts to protect our planet Earth.

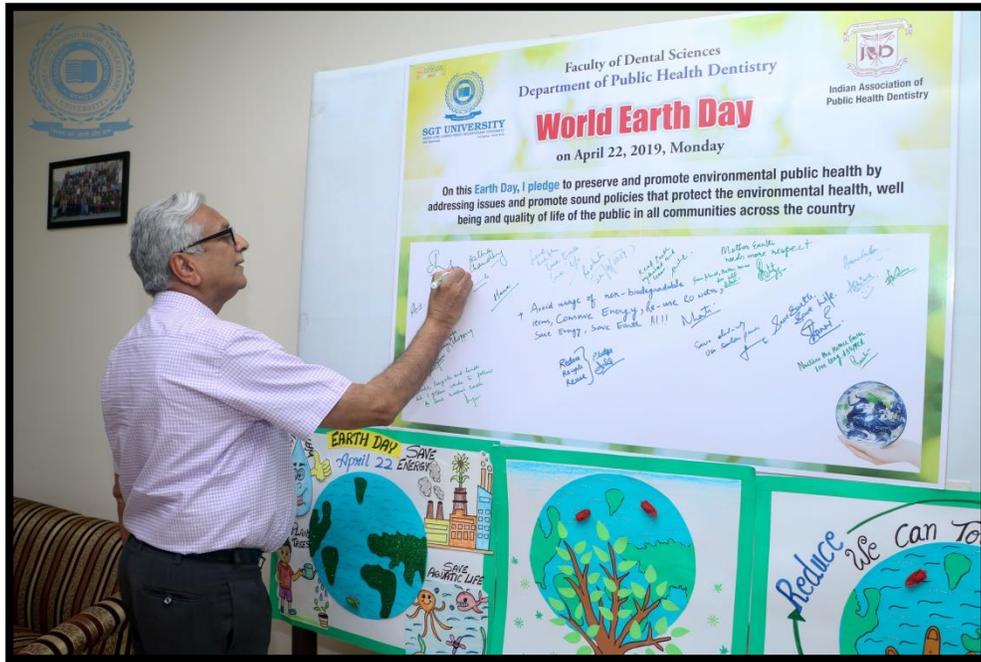

The team from Public Health Dentistry then carried on the celebrations by visiting students of VishvaBharti Public School, Village Budhera, Gurugram where students of class 6th above were educated regarding the historical perspective, present scenario and future goals of World Earth Day. Special emphasis was laid on how school children can do their bit in spreading this noble cause. The sensitization talks for students were presented by postgraduates from Public Health Dentistry namely, Dr. Ashima Sharma, Dr. Priyanka & Dr. Anchal. The school activity also saw participation by BEd students from the Faculty of Education of our University, who also highlighted their experiences and vision to preserve our planet Earth. The highlight of the sensitization talk was interaction and participation by the school children with principal of school Mrs. Manju Sharma and Dr. Shourya Tandon, Professor & Head, Public Health Dentistry, SGT University. The whole event also saw display of beautiful posters on topic of environmental safety by interns of dental college. This Small initiative in the long run aims to achieve the noble goal of protecting our earth for ourselves and the future generations.
