📍 Government Senior Secondary School, Joniawas

## Organizers:

**Kadam Club, Department of Environmental Science, Faculty of Science**

## Objectives of the program:

1. Educate the Public: Raise awareness about the ozone layer's role and current issues.
2. Promote Sustainable Practices: Advocate for reducing ozone-depleting substances and using eco-friendly products.
3. Highlight Global and Local Efforts: Showcase international agreements and local conservation success stories.
4. Engage and Mobilize the Community: Involve students and locals with interactive activities and participation.
5. Advocate for Policy Changes Call for stronger regulations on ozone-depleting substances.
6. Promote Long-Term Awareness: Develop educational resources and follow-up campaigns.
7. Encourage Personal Responsibility: Inspire individuals to make environmentally conscious choices.

**For whom:** For all the public and students

**Mode:** (Offline)

## Detailed Program Schedule:

16<sup>th</sup> September, 2024

An awareness rally was scheduled at Garhi-Harsharu road with students and NCC and NSS Unit of SGT University.

18<sup>th</sup> September, 2024

A visit and an interactive session was organized at Government Senior Secondary School, Joniawas, Faruknagar to raise awareness at school level.

## Brief details of Program: Day wise:

16<sup>th</sup> September, 2024

Kadam Club, Department of Environmental Science, Faculty of Applied and Basic Sciences, SGT University, organized a dynamic awareness rally on September 16<sup>th</sup>, 2024, on Garhi-Harsharu Road, Gurugram, in observance of World Ozone Day. The event aimed to shed light on the crucial role of the ozone layer in safeguarding life on Earth. The rally

witnessed the enthusiastic participation of around fifty students, including members from the NCC and NSS Units, alongside four dedicated faculty members. The participants demonstrated their commitment to environmental conservation by marching through the street with vibrant banners and chanting slogans focused on saving the ozone layer. The rally served not only to educate the local community about the importance of the ozone layer but also to inspire collective action towards its preservation.

The event successfully highlighted the ongoing need for environmental stewardship and showcased the commitment of both students and faculty in fostering greater awareness and action against ozone depletion.

## 18<sup>th</sup> September, 2024

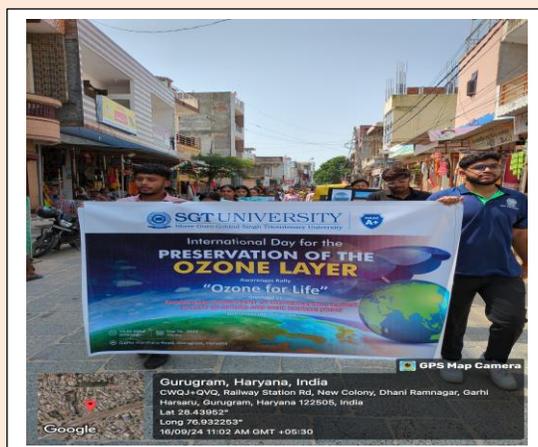

On September 18, 2024, students of Kadam Club, Department of Environmental Science, FABS, in collaboration with Samajik Vikas, SGT ka Prayas (SVSP), SGT University, visited Government Senior Secondary School, Joniawas, Faruknagar to celebrate World Ozone Day. The students of Faculty of Applied and Basic Sciences conducted an interactive session with the 10th and 11th standard students, discussing the impacts of modern lifestyles on the environment.

Following the discussion, a quiz was held to reinforce learning, with participants receiving small gifts as incentives. The event concluded with the Kadam Club team presenting a sapling to the school authorities as a token of appreciation, emphasizing the importance of environmental stewardship.

Approximately 50 students participated in this engaging and educational experience, promoting awareness and responsibility for the environment.
