Water Awareness camp

on

International Water Day- 2018.

Organizers: Dr Archana Chaudhary

Objective of the programme: To sensitize villagers about the water scarcity and creating mass awareness about water conservation and water management in households and environment

Speaker:

Dr. Archana Chaudhary (Associate Professor), Dept. of Environmental Science

Mr. Asif Hussain (Assistant Professor), Faculty of Mass communication and Media technology

Audience :

Farmers, House wives, and residents of Kheda Jhanjhrola village of Gurgaon district.

Brief Report of the programme:

INTERNATIONAL WATER DAY is celebrated on 22nd March as a means of focusing attention on importance of water. To see how Haryana is managing the water crisis, students under supervision of teachers to explore the situation of water in KHEDA JHANJHROLA village of Gurgaon District.

Here students met with local residents; Mr. Dilip who is member of panchayat committee explained how villagers are struggling with poor availability of fresh water. He said that they don't have natural resources of water, only can rely on water supply by government which provides the water daily for one hour. As it is the day which is celebrated for the importance of water and how villagers can use the 3'R principal – Reduce, Reuse & Re-cycle. The team sensetize to reduce quantity of water. To 'reuse' the water by utilizing kitchen waste water to irrigate the plants. To recycle the water they
