

SGT UNIVERSITY

Office of the Director Research & Development

Minutes of the Meeting

Research Incentive Committee (RIC) meeting was held on 15.02.2024 in Room No. A-204, A-Block, SGT University at 10:00 AM. The meeting was chaired by Prof. (Dr.) Shalini Kapoor, Associate Dean, Research & Development Council, SGT University.

The following members were present:

1. Prof. (Dr.) Shalini Kapoor, Associate Dean R&D
2. Prof. (Dr.) Vijay Bhalla, Principal SGTCOP
3. Prof. (Dr.) Ejaz Hussain, Dean FAHS
4. Prof. (Dr.) Lakhwinder Singh, Dean FOSC
5. Dr. Chandra Mouli Pandey, Deputy Dean R&D

As suggested by the competent authorities of the University, the following agendas were discussed

Agenda 1: Verification of the Publication with IQAC and Ennoble IP Publication

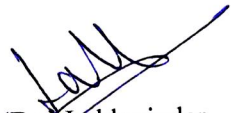

The published papers were checked for duplicacy with the List provided by IQAC published paper and Ennoble IP Publications.

Agenda 2: Requirement of acceptance letter for additional verification of publications.

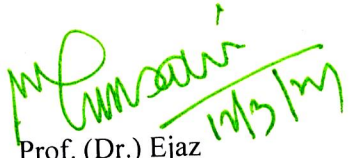

It was suggested by competent authorities that the acceptance letter should be attached with the incentive applications for verification purpose. The concern raised was discussed with RIC and it was suggested that the verification of research publications using acceptance letter is technically not required after publication of research paper/book/book chapter. RIC recommends incentives for only those research papers/books/book chapters/patents which have been "Published" by the authors on their own as per the Research Promotion Policy of the University. However, if it is still insisted then additional verification using acceptance letter, can be implemented from the next quarter (January-March).

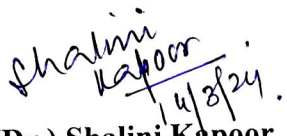

The meeting ended with a vote of thanks to the chair and all other members.
