AASGTU/2024/1/0

Dear Dr. Neha Jain

Hope this message finds you in good health and spirit. As a distinguished member of our alumni community, we are excited to invite you to be a Guest Speaker for lecture on Exploring the world of Public Health Dentistry: From Clinics to Research to Health Policies.

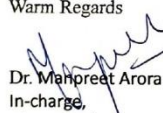

The event is to be organized by academic club INNOVA8 Oral Healthcare under Department of Public Health Dentistry, Faculty of Dental Sciences (FDSC) in collaboration with Alumni Association of SGT University. The event is planned to be conducted at TV Studio B Block, SGT University on 3rd January, 2025. Your target audience for the lecture will be BDS 3rd Year, 4th Year and Interns of FDSC.

Your illustrious journey as an alumna and your expertise in dental public health makes you the perfect fit to students for a better career in this fraternity. Your presence will not only inspire the participants but also add great value to this lecture.

We would be delighted to have you with us and look forward to your positive response. Looking forward to welcoming you back to your alma mater.

For further details please contact Dr. Charu Khurana, Alumni Coordinator:

5 Outcomes/Impact-

- **Knowledge:** Students learn about the scientific basis of dentistry, public health, and oral health policy. They also learn about the causes and prevention of oral diseases.
- **Skills:** Students learn how to conduct oral health surveys and research to identify oral health problems. They also learn how to plan, implement, and evaluate community oral health programs.
- **Communication:** Students learn how to explain oral health issues to patients and communities.
- **Ethics:** Students learn to adopt ethical principles in their work.
- **Awareness:** Students learn about the psychosocial, medical, and environmental factors that affect oral health.
- **Motivation:** Students learn how to motivate patients to practice good oral hygiene.
- **Application:** Students learn how to apply their knowledge to their own dental care and to the care of their future patients.

6 Feedback –

<ul style="list-style-type: none">• Attendees appreciated the session's thorough exploration of opportunities in the field of Public Health Dentistry.
<ul style="list-style-type: none">• Insights from experiences speaker gained over the years was very valuable for the students.
<ul style="list-style-type: none">• Students wanted more time for discussion and Questions Answers to explore more about the field in greater depths.

Subject: Permission to organize a Guest Lecture by the Faculty of Dental Sciences on 3rd Jan 2025 at T.V. Studio, B-Block-Regarding.

Respected Sir,

The academic club INNOV8 Oral Healthcare under Department of Public Health Dentistry, Faculty of Dental Sciences (FDSC) in collaboration with Alumni Cell would like to organize a guest lecture on "Exploring the world of Public Health Dentistry: From Clinics to Research to Health Policies" by alumna of SGT University, Dr. Neha Jain (BDS Batch: 2010-2015) BDS, MSc. (DPH) Pre-Doctoral Fellow, Newcastle University, United Kingdom. The event is planned to be conducted at TV Studio B Block, SGTU on 3rd January, 2025, On the same day, an interaction with our BDS students and recent pass out (BDS Batch 2019-2024) is planned as well.

This talk will dissect and explore the branch of public health dentistry from the lens of the speaker, an SGT alumna, and a public health researcher. She will explore various avenues in research, practice, and advocacy through her own personal and professional experiences, while drawing on her knowledge of public health systems and health services in India and the United Kingdom.

By engaging with our distinguished alumni, we aim to provide our students with valuable insights, motivation and knowledge that will empower them in their academic and professional endeavours.

9 CONCLUSION/SUMMARY

The program was graced by University Officials and Resource person- Dr. Neha Jain (BDS Batch 2010-2015) BDS, MSc. (DPH), Pre-Doctoral Fellow, Newcastle University, United Kingdom). This talk dissected and explored the branch of public health dentistry from the lens of the speaker, SGT alumna, and a public health researcher. The workshop was attended by all BDS students, BDS 1st, 2nd, 3rd and 4th year and Interns. Faculty members, Postgraduates and Interns. The students really enjoyed the interaction and learned from the experiences shared by our Guest Speaker.

10 Acknowledgements-

- The successful execution of the Program was made possible through the dedicated efforts and collaboration of the team.
- We extend our special gratitude to Dr. Manpreet Arora, Dr. Charu Khurana, Dr. Shourya Tandon, Dr. Meenakshi Chopra, Dr. Surbhi Priyadarshi, Dr. Navodita and Dr. Rangoli for smooth and successful conduction of the CDE Lecture.
- We extend our warm regards to Dr. Anurag Bhatnagar, Dr. Vishal Sharma and Dr. Diksha for their active involvement for smooth execution of the program.
