## **5. Outcomes/Impact-**

### **Students learnt about:**

- The importance of Community service and its social impact at a population level
- The role of Public Health Dentists in the society

## **6. Feedback –**

Attendees appreciated the session's thorough exploration of opportunities in the field of Public Health Dentistry.
Detailed information regarding community services, its need in the urban and rural areas were shared with the attendees.
Students wanted more time for discussion, in addition to that they had a lot of queries regarding the activities and treatment being provided at camp/outreach setting.

## **9. CONCLUSION/SUMMARY**

Innova8 Oral Health Care Academic Club constituted under the Department of Public Health Dentistry, in collaboration with Rotaract Club of Medcrew, Mumbai (a non-profit organization), organized an interactive session entitled “The importance of Community service and its Social Impact” on 29th January, 2025 from 12:00 pm to 1:00 pm for BDS third year undergraduate students. The session was delivered by Dr. Surbhi Priyadarshi (Assistant Professor, Dept. of Public Health Dentistry, Faculty of Dental Sciences); wherein the students were enlightened regarding the importance of community services and its social impact at a population level. Students were also encouraged to volunteer in various outreach activities. The lecture was followed by a quiz and all queries were answered. Overall, it was an informative and engaging event for all the attendees.

## **10. Acknowledgements-**

- The successful execution of the Program was made possible through the dedicated efforts and collaboration of the team.
- We extend our special gratitude to Dr. Charu Khurana, Dr. Shourya Tandon, Dr. Meenakshi Chopra, Dr. Surbhi Priyadarshi, Dr. Navodita, Dr. Rangoli and Ms. Nallini for smooth and successful conduction of the interactive session.
- We extend our warm regards to RC Medcrew, Rotaract Club to collaborate with us.
