WORLD ORAL HEALTH DAY 2025 MONTHLONG CELEBRATIONS REPORT 20th MARCH- 20th APRIL 2025

**SGT DENTAL COLLEGE, HOSPITAL
AND RESEARCH INSTITUTE
(FACULTY OF DENTAL SCIENCES)
SGT UNIVERSITY, GURUGRAM**

SGT University Marks World Oral Health Day 2025 with a Month-Long Celebration from 20th March- 20th April 2025. The World Oral Health Day 2025 campaign kicked off with the global theme on 'A Happy Mouth is A Happy Mind' highlights the crucial importance of oral health and its strong connections to overall health.

World Oral Health Day (WOHD) is a global observance day celebrated every year on 20th March with a motive to raise awareness of oral health and prevention of oral diseases. FDI World Dental Federation launched this day in 2013 as a flagship forum to discuss and talk about dental care and oral hygiene all around the world.

SGT Dental College, Hospital and Research Institute, SGT University, Gurugram observed WOHD 2025 with a series of activities on oral health promotion and awareness campaign in collaboration with Indian Association of Public Health Dentistry (IAPHD) mentioned as follows:

- Oral Health Awareness and treatment Camps at Various Outreach Locations- 20th March- 20th April 2025- **Total 26 Dental Camps** were conducted during this month.
- **New Initiative:** Collaboration with **Help Age India** to conduct dental camps (Proposal Signing Ceremony) on 24th March 2025 following camps with Help Age India on 26th- 28th March 2025
- Oral Health Awareness lecture and Free Oral health Checkup for Non-teaching staff of SGT University- 25th March 2025
- WOHD Celebration in Blind School, Lodhi Road, Delhi- 28th March 2025
- Visit to the Primary Health Centre (PHC), Daulatabad by BDS students, featuring interactive skits and community engagement activities. – 4th April 2025
- Oral Health Message Signatory Booth- 10th April 2025
- Scientific Competitions- 15th April 2025
- Webinar by Subject Expert (Dr. Harsh Priya)- 18th April 2025

Our outreach efforts successfully reached diverse populations including schoolchildren, rural and urban communities, special needs individuals, particularly children with visual impairments.

The camps featured comprehensive dental check-ups, engaging health talks on the importance of oral hygiene, and demonstrations on the correct use of various oral hygiene aids. Participants received education on the harmful effects of tobacco use, along with personalized oral hygiene instructions. Informational, Educational, and Communication (IEC) materials were distributed to reinforce learning.

To create greater impact, dental students performed interactive skits and street plays, effectively conveying key messages in an engaging manner. All patients were provided on-the-spot treatment through our fully equipped Mobile Dental Van. Those requiring advanced or specialized care were referred to SGT Dental Hospital for further management.

Apart from the outreach activities, In-campus of the University, all the employees (Teaching and Non-teaching) were motivated to come forward for their dental checkup and learn essential oral hygiene routine during the WOHD month. Dental faculty members, Postgraduate students and undergraduates of the faculty were all involved in these activities to make World Oral Health Day 2025 a huge success.

Free Oral Health checkup with Distribution of free oral hygiene products for all Non-teaching staff
11:00 AM - 04:00 PM | Room No. 303, B-Block

"LET'S SPREAD HAPPINESS EVERYWHERE"

Brief Description:

Recognizing that non-teaching staff form the backbone of any academic institution, SGT University conducted a dedicated oral health awareness event aimed at supporting their well-being. The initiative placed special focus on **women's oral health**, addressing prevalent concerns and debunking common myths through informative sessions.

Participants received **free oral health check-ups** and **complimentary oral hygiene kits**, empowering them with both knowledge and practical tools to maintain their oral health. By encouraging proactive self-care and promoting awareness, the event not only supported the overall health of the university's workforce but also reinforced their vital role in the institution's success.

A HAPPY MOUTH IS... a happy mind!
20 MARCH
LET'S SPREAD
HAPPINESS
EVERYWHERE!

आयुष्यान् भारत
हृदयः नैवेद्यं चोदय

Brief Description:

This visit was conducted to offer students first-hand exposure to the primary healthcare delivery system. Dr. Namita Dhar (Dental Officer) in PHC provided valuable opportunities to interact with healthcare workers and understand the scope of services and oral health integration within the broader public health framework.

As a part of their community engagement efforts during the visit, the students performed a lively and informative skit for patients and staff at the PHC, focusing on the importance of oral hygiene and preventive dental care. The performance was well-received and served as an effective medium to spread awareness in an engaging and relatable manner.

The visit concluded with a pledge ceremony, where both students and patients took an oath to prioritize and maintain their oral health. This symbolic gesture reinforced the core message of World Oral Health Day—that a healthy mouth is essential for overall health and well-being.

WORLD ORAL HEALTH DAY
20th March -20th April 2025
MONTH LONG ORAL HEALTH RELATED ACTIVITIES

SCIENTIFIC COMPETITIONS FOR BDS and MDS
Students

- Categories:
 - o Patient counselling video competition
 - o E-Poster Making Competition
 - o Slogan Writing Competition
 - o Bookmark Making Competition

- **BOOKMARK MAKING COMPETITION**

To creatively promote oral health messages, a *Bookmark Making Competition* was organized. Participants crafted informative and artistically designed bookmarks highlighting preventive oral care tips. Entries were judged based on design aesthetics, clarity of the message, and educational value. Selected bookmarks will be utilized during community outreach programs, making them a useful tool for patient education. Yashika Yadav from BDS 4th year secured 1st prize, Disha from BDS 3rd year secured 2nd prize, Drish Tandon from BDS 4th year secured 3rd prize.

- **E-POSTER MAKING COMPETITION**

The *E-Poster Making Competition* provided a platform for students to showcase scientific understanding through creative digital presentations. Topics included oral cancer, fluoride use, oral hygiene practices, and dietary impacts on oral health. Judging criteria included scientific accuracy, originality, and visual impact. The best posters contributed to knowledge dissemination and awareness among peers and the public. Muskan (Intern) secured 1st prize, Samiksha Swain from BDS 4th year secured 2nd prize, Aleena (Intern) secured 3rd prize.

- **SLOGAN WRITING COMPETITION**

The *Slogan Writing Competition* held encouraged students to develop catchy and meaningful slogans centred around oral health awareness. Submissions were made in both English and vernacular languages, reflecting cultural relevance and wide engagement. Entries were evaluated for originality, impact, and relevance to the World Oral Health Day theme.

Riddhi from BDS 3rd year secured 1st prize, Kavya from BDS 4th year secured 2nd prize, Prachi (Intern) secured 3rd prize.

- **Patient Counselling Video Competition**

A *Patient Counselling Video Competition* was conducted with the objective of promoting effective communication and behaviour change strategies in dental practice. The entries were judged based on clarity of message, creativity, clinical relevance, and patient-centeredness. The competition showcased students' ability to merge clinical knowledge with communication skills, and the videos were appreciated for their practical approach. Komal and Chirag from BDS 3rd year secured 1st prize, Priyakshree from BDS 3rd year secured 2nd prize, Mehak (Intern) secured 3rd prize.

4. Name of activity: WEBINAR BY SUBJECT EXPERT

The poster is for a webinar titled "NO HEALTH WITHOUT ORAL HEALTH: THE COMMUNITY CALLING". It is part of the "WORLD ORAL HEALTH DAY 2025 MONTH LONG ACTIVITIES" celebrating the "DEPARTMENT OF PUBLIC HEALTH DENTISTRY". The event is under the aegis of the "Indian Association of Public Health Dentistry (IAPHD)". The webinar is scheduled for "18th April 2025" from "03:00 PM - 04:30 PM" in the "Seminar Hall, Department of Public Health Dentistry, SGT University, Gurugram". The key note speaker is "Dr. Harsh Priya", a Common Wealth Scholar MPH Program (2024-2025), SPH Imperial College, London & Additional Professor, Public Health Dentistry, CDER, AIIMS, Delhi. The poster also features logos for SGT University, Faculty of Dental Sciences, IAPHD, and NAAC A+. Two cartoon characters, a brown bear and a blue bear, are shown holding signs that say "A HAPPY MOUTH IS... a happy mind!".

Brief Description:

As part of the World Oral Health Day 2025 celebrations, a thought-provoking webinar titled “No Health Without Oral Health: The Community Calling” was conducted by Dr. Harsh Priya for 3rd year, 4th year BDS students, and interns. The session offered valuable insights into the global movement for integrating oral health within overall health systems. Dr. Priya highlighted the significance of the Bangkok Declaration and its call to action for strengthening oral health as a key component of public health policy. She also shed light on the commercial determinants of oral health, urging future dental professionals to recognize and address the influence of industries on health behaviors and outcomes. Emphasizing the vision of achieving Universal Health Coverage (UHC) for oral health by 2030, the session encouraged students to adopt a community-oriented approach and become advocates for equitable and accessible oral healthcare.

5. Name of activity: ORAL HEALTH MESSAGE SIGNATURE BOOTH

Brief Description:

As part of the **World Oral Health Day 2025** celebrations, a vibrant and creatively designed **Oral Health Signature Board** was displayed at the Faculty of Dental Sciences, SGT University. The board served as a symbolic platform for students, faculty, and staff to express their commitment to oral health. Participants enthusiastically wrote inspiring messages, pledges, and slogans promoting good oral hygiene and awareness. This collective expression not only added a personal touch to the celebrations but also reinforced the importance of individual responsibility in maintaining oral health and spreading the message within the community.

WORLD ORAL HEALTH DAY 2025

20th March- 20th April 2025

Team Public Health Dentistry

FACULTY OF DENTAL SCIENCES, SGT UNIVERSITY

Activity No. 6: Satellite Clinics Oral Health Drives **BASAI DENTAL CENTRE, GURUGRAM**

Activity No. 7. Oral Health Drive

BLIND SCHOOL CENTRE, LODHI ROAD, NEW DELHI

As part of the World Oral Health Month- long activities organized by Dept. of Public Health Dentistry, Faculty of Dental Sciences, SGT University, a comprehensive dental screening and treatment program was conducted at the Blind Relief Association, New Delhi on 27th March to 20th April 2025 to assess the oral health status of visually impaired children. The activity aimed to identify dental issues, provide early interventions, and empower children with knowledge for maintaining optimal oral hygiene.

To create awareness among them, dental awareness talk was delivered, educating students about common dental ailments. Tooth brushing technique was demonstrated using dentoform model and students were made to practice the same. Each student was assisted by the dental team members during self-practice toothbrushing session.

An educational cum fun activities (interactive session on oral health, Quiz, Poem recitation) for the school students and vocational trainees. The program conducted at the Blind Relief Association during the World Oral Health Month activities served as a critical step in assessing the oral health needs of visually impaired children. By identifying dental issues, providing personalized recommendations, and promoting preventive interventions, the screening contributed to advancing the oral health outcomes of its participants. Moving forward, ongoing efforts to prioritize oral health education and accessible dental care are essential for ensuring the well-being of visually impaired individuals and fostering inclusive healthcare practices.

Activity No. 8

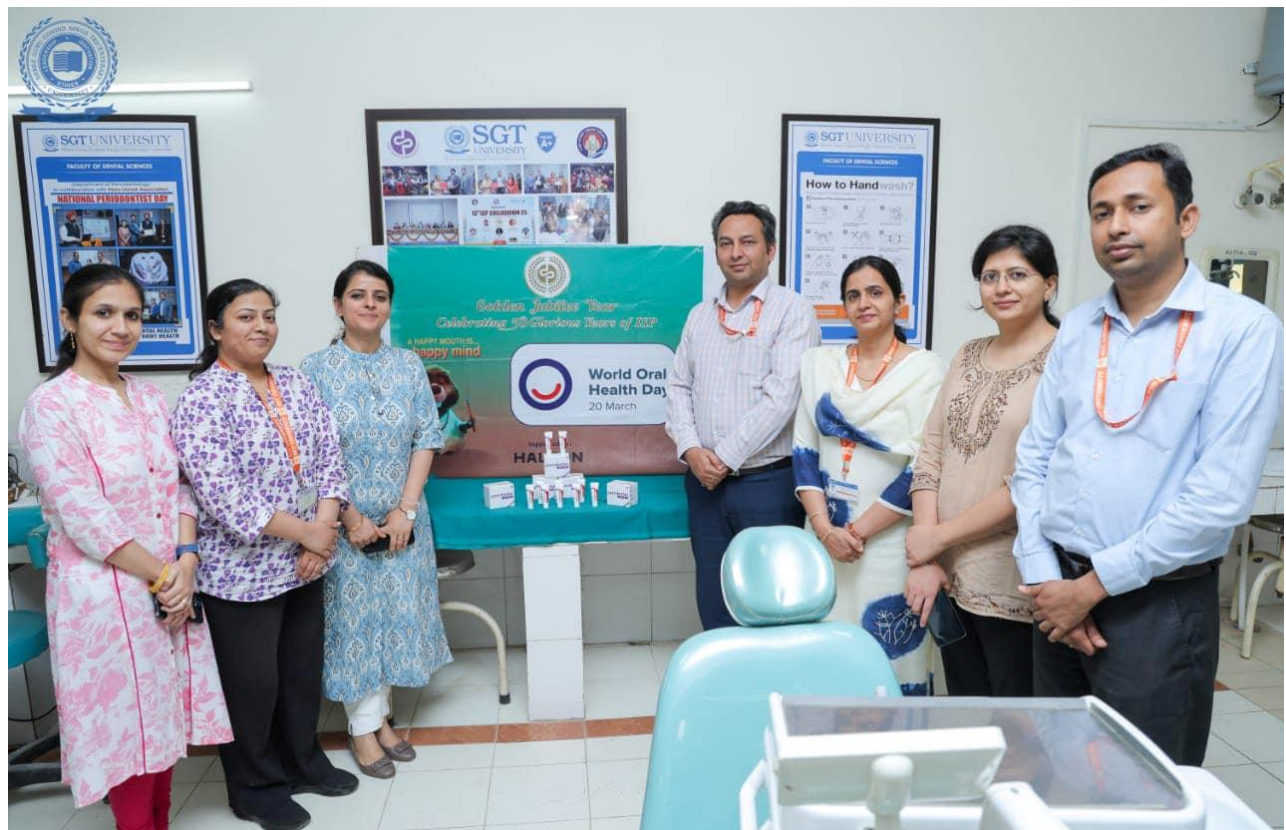

Department of Periodontology in Collaboration with ISP Delhi NCR Study Group and ISP Head Office

Brief Description:

The event was organized by the Perio Unnati Academic Club and the Department of Periodontology in collaboration with the Indian Society of Periodontology, with the theme: A Happy Mouth is a Happy Mind. Periodontal screenings of 1209 patients were conducted throughout the week to raise awareness about the importance of oral hygiene. The Poster Competition was a standout event, where students showcased their creativity in highlighting the role of oral health in both mental and physical health. In addition, we distributed free toothpaste samples to encourage everyone to adopt better oral care practices. This celebration was proudly sponsored by Haleon, whose support was crucial in making the event possible.

Oral Health Screening and Treatment Activity (Faculty of Dental Sciences)

Title of the Activity: RURAL ORAL HEALTH PROGRAMME – WORLD ORAL HEALTH DAY CELEBRATION, 2025

Date: 22/3/2025

Location of the Activity: Ateli, Haryana

Organizing Faculty/Department/Association- Faculty of Dental Sciences – Department of Public Health Dentistry

Participating Team Members with Designation:

- Dr. Rangoli Srivastava (Senior Lecturer, Public Health Dentistry)
- Dr.Swati (PG, Oral Surgery), Dr.Vaishnavi (PG, Endodontics)
- Tara, Parul, Tanya, Jyoti, Abhishek (Intern)
- Mr. Sunil (Attendant)

E Brochure/Banner (if made)-

Objective of the Activity:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with Publicity team organized a dental as well as medical camp on 22nd March, 2025 at Ateli, Haryana.

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 2 postgraduates Dr.Swati (Oral Surgery), Dr.Vaishnavi (PG, Endodontist) and 5 interns – Tara, Parul, Tanya, Jyoti, Abhishek along with 1 attendant Mr.Sunil accompanied us. Dental checkup of 64 adults and children were done.

On account of celebration of World Oral Health Day, emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose. Those who required treatment were given treatment like oral prophylaxis, restorations, extractions. Radiograph was taken for patients who required investigations.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

The importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, the motive of the dental camp was achieved to its maximum.

Number & Description of Beneficiaries:

Total-64

Male-59

Female- 5

Outcome of the Activity & its relevance to Health Sciences:

64 Patients were examined, out of which

- 16 patients were diagnosed with Dental Caries,
- 20 patients were diagnosed with Periodontal Disease.

All the participants who required any kind of dental services were referred to SGT Dental College, Gurgaon.

5. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

6. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Siana, Haryana on 23rd March, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Asso. Prof. & Head, Department of Public Health Dentistry). Dr. Surbhi Priyadarshi (Assistant Professor, Department of Public Health Dentistry) headed the camp along with postgraduate students – Dr. Jai (Dept. of Prosthodontics), Dr. Bobby (Dept. of Oral Surgery) and interns Ankita, Dugi, Deepa, Sakshi, Surbhi and support staff- Mr.Devesh & Mr. Aparn.

People of all ages in the neighbourhood enthusiastically participated in the dental camp. 66 individuals including 37 males and 29 females were examined. 25 patients were given treatment in mobile dental van at camp site. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.

Mr Devesh (Attendant)

6. E Brochure/Banner (if made)-

7. Objective of the Activity: To create awareness among the people about common oral diseases and to Promote Dental Health.

8. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken: The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with **Help Age India** organized a dental camp on 26th March, 2025 at Village Jhamri, Jhajjar to continue the celebration of World Oral Health Day, 2025. A total of 44 patients including 21 males and 23 females were examined. Of which 12 patients were treated in mobile dental van at camp location. Patients who required complex dental treatment were referred to SGT Dental Hospital for further procedures. Oral health education was imparted to the people and proper brushing technique was demonstrated using posters and models. Oral hygiene kits were distributed to patients. The general population gave positive feedback and appreciated the check up and patient care provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion. The purpose of the Oral Health check-up was to create awareness among the community and make them understand the importance of oral health.

Intern's feedback

Place - Rajiv Nagar, Gurgaon

It was an amazing experience to be a part of the camp held in Rajiv Nagar, Gurgaon. We got to know about how to handle the patients and giving them proper diagnosis. We provided knowledge to the patients about oral hygiene and proper brushing technique. We also gave treatment to the patients for example - oral prophylaxis, extraction etc.

6. Objective of the Activity:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with publicity team organized a dental as well as medical camp on 3rd April, 2025 in Naya Sawera, Sector-82, Gurgaon.

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 4 interns – Dugi, Muskan, Ankita, along with Mr. Devesh accompanied us. Dental checkup of 94 children were done.

In lieu of month long “World Oral Health Day” celebrations, emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases.

Necessary oral hygiene instructions were given to required adults.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

7. Number & Description of Beneficiaries:

Total-94

Male-40

INTERN FEEDBACK :

The camp held on 2nd April 2025 at NGO Naya Sawdon, Sec 82 Gurgaon was quite an amazing experience for us. It was humbling to see how children from different backgrounds were given an opportunity to learn and live life there. The dental check up was also very successfully executed because of the co-operative children who were submissive & well-mannered to understand the dental hygiene advice we gave. We distributed free toothbrushes, paste & distributed pamphlets regarding 'oral health'. We referred some students to SGT dental hospital for further treatments.

Overall, it was a successful dental camp whose awareness & services were provided to the less fortunate.

Thanking You.

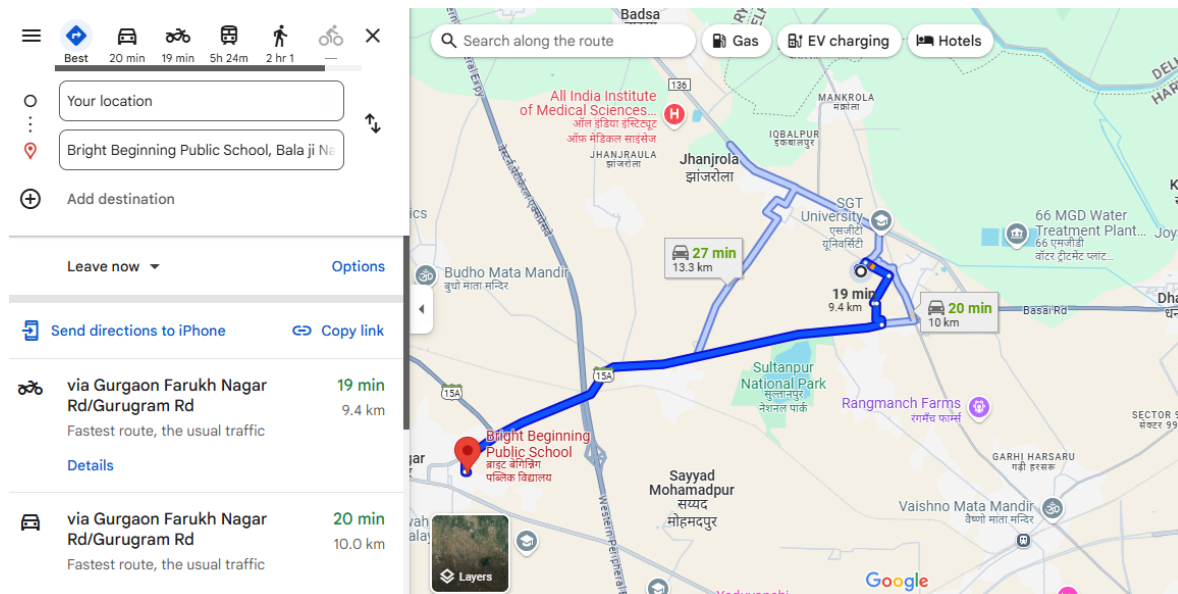

Toran

Remarks by the Head of Department: _____

1. Objective of the Activity:

To create awareness on the occasion of World Oral Health Day, among the participants about common oral diseases and to Promote Good Oral Health Practices.

On the occasion of World Oral Health Day, The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Admission Team organized a dental camp on 7th April 2025, at Bright Colony School, Farukhnagr, Haryana. The dental team took initiative under guidance of Dr. Charu Khurana (Associate Professor and Head, Department of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry, Interns – Jyoti, Tanya, Khushboo, Ayushi, Palak; Attendant – Mr. Devesh. Dental checkup of 58 Patients (Females– 33; Males –25), who were students from school as well as residents of Farukhnagr, Haryana took place. Patients requiring treatment were referred to SGT Dental College. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health. Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the interns. Oral Health Education was also delivered among students and their parents by demonstrating brushing technique using toothbrush and mouth model. With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

2. Number & Description of Beneficiaries:

Dental checkup of 58 Patients (Females– 33; Males –25), who were students from school as well as residents of Farukhnagr, Haryana took place. **All the participants who required any kind of dental services were referred to Faculty of Dental Sciences, SGT University, Gurugram, Haryana.**

Head of Department

Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Raghunath Bal Vidya Mandir Sr Sec School, Patli Haryana on 17th April, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Associate Prof. & Head, Department of Public Health Dentistry). Team members include - interns – Harsh, Neha, Mahi, Ishan and support staff- Mr. Devesh.

People of all ages enthusiastically participated in the dental camp. 49 individuals including 35 males and 14 females were examined. During the examinations, a number of dental problems were found (Dental caries, Gingivitis). The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues.

Number & Description of Beneficiaries:

Total- 49

Male- 35

Female-14

Outcome of the Activity & its relevance to Health Sciences: 49 Patients were examined, out of which-

- **40 patients were diagnosed with Dental Caries,**
- **09 patients were diagnosed with Periodontal Disease.**

All the patients who required any kind of dental services were referred to SGT Dental College, Gurugram.

Relevant Photographs with captions (preferably geo-tagged & High-resolution images – to be mailed as separate attachments along with placement in word file also) – 4 to 6 Photographs

ORAL HEALTH SCREENING PROGRAMME **(Faculty of Dental Sciences)**

1. Title of the Activity: ORAL HEALTH SCREENING PROGRAMME
2. Date: 19/04/2025
3. Location of the Activity: Village Kasan, Gurugram
4. Organizing Faculty/Department/Association
Faculty of Dental Sciences – Department of Public Health Dentistry in association with Marketing Team, SGT University
5. Participating Team Members with Designation:
 - Khushboo, Varushi (Intern)
 - Mr Aparn (Attendant)
6. Objective of the Activity: To create awareness among the people about common oral diseases and to Promote Dental Health.

7. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken: The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with Marketing Team, SGT University organized a dental camp on 19th April, 2025 at Kasan Village, Gurugram to continue the celebration of World Oral Health Day, 2025. A total of 10 patients including 05 males and 05 females were examined. Patients who required complex dental treatment were referred to SGT Dental Hospital for further procedures. Oral health education was imparted to the people and proper brushing technique was demonstrated using posters. Oral hygiene kits were also distributed to patients. The general population gave positive feedback and appreciated the check up and patient care provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion. The purpose of the Oral Health check-up was to create awareness among the community and make them understand the importance of oral health.

THANK YOU NOTE

SGT Dental College, Hospital and Research Institute, (Faculty of Dental Sciences), SGT University, Gurugram extends its sincere thanks and heartfelt gratitude to the **Dental Council of India (DCI)** and the **National Oral Health Programme (NOHP), Ministry of Health and Family Welfare, Government of India**, for organizing the **month-long celebration of World Oral Health Day 2025** and for giving us the opportunity to be an active part of this nationwide initiative.

Being included in this impactful campaign has been both an honor and a privilege. It enabled our faculty, students, and outreach teams to engage with diverse communities, raise awareness about the importance of oral health, and contribute meaningfully to the national agenda of promoting oral well-being for all.

We remain committed to supporting such visionary initiatives and look forward to continued collaboration in advancing oral health awareness and education across the country.

— *SGT University, Gurugram*
