7. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

An oral health screening and treatment camp was organized by Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University on 12th January, 2023 (Thursday) at Ladpur Village in association with Reliance MET. The Dental team took initiative under the guidance of Dr. Shourya Tandon (Prof. & Head and Associate Dean). The Dental team was headed by Dr. Surbhi Priyadarshi (Assistant Professor, Department of Public Health Dentistry) along with 2 postgraduates Dr. Ayesha (Department of Prosthodontics), Dr. Virender (Department of Oral Surgery), 6 Interns- Reetika, Nikita, Nisha, Prachi, Palak, Rashmit and 1 attendant - Mr. Sunil from PHD department. A total of 102 patients were examined which included 47 males and 55 females. Of which 25 patients were provided treatment (23 oral prophylaxis and 2 extractions) in Mobile Dental Van on camp site. Patients who required complex treatment were referred to Dental Hospital in SGT University. Oral health education was imparted to the people and proper brushing technique was demonstrated to both adult and child patients. Toothbrushes, toothpastes, oral mouthwashes were distributed to the needy population.

The general population gave positive feedback and appreciated the check up and treatment provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion and were appreciative of the oral health education and counselling disseminated to them. The interns appreciated the opportunity provided to them to interact with patients at a community setting leading to improvement in their soft skills and approach towards patients in an outreach location, they also expressed their wish to participate in such activities in the future. The purpose of the dental camp was to create awareness in the community towards the importance of oral

8. **Brief Write-up (300 -500 words):** SGT University conducted oral health workshop and screening programme on **18th January 2023 (Wednesday) at Mother's Pride School, Pataudi**. The Dental team took initiative under the guidance of Dr. Shourya Tandon (Prof. & Head). The Dental team was headed by Dr. Meenakshi Chopra (Associate Professor) along with 2 post Graduate, 8 Interns and 2 Attendants. The camp started at 10:30 am and continued till 2:00 pm. The Workshop conducted for the students of Mothers pride school witnessed a lot of enthusiasm and interest on the part of students during the interactive session and a quiz on oral health held by the interns under the guidance of Dr Meenakshi. At the end of session, a token of appreciation was given to the students for their active participation in the quiz. Screening of a total 298 students was carried out which included 165 boys and 133 girls. Students who required dental treatment were referred to SGT Dental hospital for further treatment. Prophylactic aids such as toothbrush and toothpaste were also distributed to the students. The principal and staff members showed acknowledgment for the informative and resourceful screening process with an appreciation letter and warm hospitality.

9. **Outcome of the Activity:** 298 Students were examined, out of which
140 students diagnosed with Dental Caries
100 students diagnosed with Malocclusion
50 students diagnosed with Gingivitis

All the students who required any kind of dental services were referred to SGT Dental College, Gurugram

CAMP REPORT

SUNDAY OUTREACH ACTIVITY

29th JANUARY 2023

Jaitpur Village, Rewari

The Department of Public Health Dentistry of Faculty of Dental Sciences, SGT University conducted Oral health screening and Treatment program on 29th January 2023 at the Government School, Jaitpur Village, Rewari. The camp was organized by the efforts of locals from the village and especially Mr. Amit Rao.

The Dental team was headed by Dr Shourya Tandon (Professor & Head and Associate Dean) along with Dr. Ankita Thakur (Tutor), Postgraduate Dr Shivansh (Conservative Dentistry & Endodontics), 10 Interns (Aditi, Nisha, Preeti, Garima, Muskan, Rashmit, Tanisha, Swati, Ranika & Lokesh) and 2 attendant Mr Sunil & Mr. Sombir. Appropriate prior information about the activity was provided to villagers and nearby people and local arrangements were coordinated by the Publicity Team division of SGT University

Overall around 350 patients visited the camp site wherein apart from Dental Services departments, consultations from Medical Sciences and Medicine Dispensing through Pharmacy division were also undertaken. A total of 123 patients were examined for dental issues, out of which 23 patients were provided dental treatment (Oral Prophylaxis, Restorations and Tooth Removals) in the mobile dental van. Around 18 patients were identified for Oral Rehabilitative Services, 60 for Tooth Decay and Restorations, 20 for tooth removal procedures and almost all for gum related concerns. To around 50 of these patients Toothpaste, Toothbrush & mouthwash samples were distributed free of cost along with individual level Oral Health Education to each through IEC materials.

Each of the visiting patients were issued Referral Slips as part of Social Oral Health Service scheme under which they would be able to avail special discounts for their specific dental treatments at the SGT University campus Dental Clinics.

The Administrative Panchayat authorities also visited the camp site and appreciated the efforts being undertaken by the Health Teams from SGT university for alleviation of Oral Health and other issues from the people residing at the village. The general population also gave positive feedback and appreciated the check up and patient care provided by the Dental Team.

oral mouthwashes were distributed to the needy population. Satisfactory feedback was obtained from the general population. All queries regarding toothbrushing techniques were explained individually to the patients. The patients cherished the chance to interact with the dentists to enquire and gain knowledge about their oral health and maintaining good oral hygiene. The patients were also given referral slips and were referred to SGT University for further needful treatment. The interns appreciated the opportunity provided to them to work in a field setting. The purpose of the dental camp was to create awareness in the community towards the importance of oral health and motivate them for their oral hygiene maintenance. The camp concluded at 2:00 pm. The team left the venue at 2:30 pm and reached the college at 3:00 pm.

SGT UNIVERSITY, GURUGRAM
SAMAJIK VIKAS SGT KA PRAYAS (SVSP)

Mukh Asha Abhiyan –
Training for ASHA Workers on Oral Health Promotion

The Dental Division of Samajik Vikas SGT Ka Prayas (SVSP) unit of SGT University, Gurugram has conceptualized to initiate the training for ASHA Workers on Oral Health Promotion. Department of Public Health Dentistry, Faculty of Dental Sciences in collaboration with Faculty of Nursing and Faculty of Mass Communication & Media Technology organized the introductory session to sensitize the ASHA workers on Oral Health and its Importance at Community Health Centre, Farukh Nagar, Gurugram on 21st February 2023 (Tuesday). The team was headed by Dr. Shourya Tandon (Associate Dean and Prof. and Head Dept. of Public Health Dentistry) along with Dr. Charu Khurana (Reader, Department of Public Health Dentistry), both of whom have conceptualized this idea of **Mukh ASHA Abhiyan**. Other faculty present were Mr. Naveen Vats (Department of Nursing) and Ms. Neha (Dept. of Mass Communication), 3 BDS Interns- Preeti, Swati, Shalley and 1 attendant Mr. Sunil. Amongst other members from FDSC the project is actively supported by Dr. Omkar Krishna Shetty, Dean; Dr. Bharti Raina and Dr. Anil Gupta.

The dental team enlightened the target audience about the importance of oral health and need of education sessions. With the motive to empower this work force regarding oral health care, SVSP begun the training project with enrollment of 28 ASHA Workers posted in and around villages of Farukh Nagar, Gurugram. The ASHA workers were showcased the state-of-the-art Mobile Dental Van and they also discussed various doubts regarding dental treatment. ASHA Workers appreciated the initiative and showed a great enthusiasm to be a part of the training program on oral health promotion. Many of them also showed their eagerness to collaborate with us for organization of Outreach Dental Care activities at their residential villages.

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

February, 2023 (Monday) at CHC, Farukh Nagar. The Dental team took initiative under the guidance of Dr. Shourya Tandon (Prof. & Head and Associate Dean). Dr. Surbhi Priyadarshi (Assistant Professor) headed the dental team along with 7 interns- Nisha, Muskan, Sakshi Rai, Sakshi, Reetika, Rashmit, Preeti and 1 attendant accompanied the dental team- Mr. Sunil. Total 90 patients were examined. 6 patients were provided treatment (oral prophylaxis) in Mobile dental van on camp site. 3 patients were also attended for their precancerous lesion/condition with laser treatment by the oral medicine staff and postgraduate students. For the purpose of awareness regarding oral cancer among general populace, Nukkad Natak was performed by the postgraduate, undergraduate students and interns. The camp initiated with dental awareness talk, educating people about common dental ailments, especially stressing on oral cancer. The people were highlighted about the signs and symptoms of oral cancer. Along with screening, health talk was delivered simultaneously on how to take care of the teeth, importance of brushing and proper brushing technique. Toothpastes were distributed to the needy population. Satisfactory feedback was obtained from the community. The patients were also given referral slips and were referred to SGT University for further needful treatment. The purpose of the dental camp was to create awareness in the community towards the importance of oral health as well as oral cancer and concerned related treatment.

Interns batch feedback -
Camp place - Sondhi Village
Reliance Camp - 6th March 2023.

Thus is this reliance camp conducted on 6th March 2023 in Sondhi Village. I had a nice experience over there. The theme of the camp was "Artist day" for which we had some interactive session with the patients along with OPD and treatment given to the patient.

Overall it was a good experience where everybody get equal opportunity and exposure. And such camps are very helpful for overall growth of interns.

8. **Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken**

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University celebrated World Oral Health Day by organizing dental check-up and treatment camp on 15th March, 2023 (Wednesday) at Divine Dale International School, Sherpur, Pataudi. The dental team took initiative under guidance of Dr. Shourya Tandon (Associate Dean and Prof. and Head). The dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Dept. of Public Health Dentistry) along with 2 postgraduates students Dr. Prince (Dept. of Pedodontics) and Dr. Vidhi (Dept. of Orthodontics) and 6 interns Preeti, Prachi, Prerna, Sakshi, Ankit and Pawan. Two attendants Mr. Sunil and Mr. Darshan accompanied the dental team. Dental checkup of 295 students which included 184 boys and 111 girls was done. 11 students were provided treatment in mobile dental van at camp site. Every year 20th March World Oral Health Day is celebrated dedicated to raising global awareness of the issues around oral health and the importance of oral hygiene. So, on this occasion, oral health talk was rendered by interns with the help of PowerPoint presentation focusing on the importance of maintenance of oral hygiene, toothbrushing techniques, dental-related adverse habits and its consequences, progression and treatment of common oral health diseases in children. Along with this, elements on significance of World Oral Health Day engrossing the theme for this year 'Be Proud of Your Mouth' were included in the presentation and explained to the students through audiovisual aids. In addition to the screening as well as health talk, a quiz was organized and students replying positively and correctly were appreciated with a reward. Demonstration of toothbrushing technique was given. All the students from classes LKG to 12th participated actively with

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

enthusiasm in each organized activity. The school authority felicitated all the members of the dental team with a token of appreciation.

The camp concluded with a high hope that the team has moved a step forward in creating an orally healthier community.

9. Number & Description of Beneficiaries:

The Beneficiaries were students of Divine Dale International School from Classes LKG to XIIth. 295 students came forward for their Dental Check-up out of which 184 were boys and 111 were girls. Children were given demonstrations for brushing technique. Majority of the students had good oral hygiene however some children had Dental Caries, grossly decayed teeth and extrinsic stains.

10. Outcome of the Activity & its relevance to Health Sciences:

The activity was well appreciated by the School Authorities. Proper brushing technique was demonstrated to educate the children and their teachers regarding the importance of proper oral hygiene maintenance. Two hundred and ninety-five students were examined. Young Children were also shown educational videos to reinforce the oral health education imparted to them. The interns and postgraduates worked in tandem and learnt the nuances of working at an outreach setting in a school setting while realizing the importance of good teamwork and soft skills related to patient management at an outreach setting.

SCHOOL ORAL HEALTH PROGRAMME

Divine Dale International School, Village Sherpur

Date – 17th March, 2023

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University conducted oral health screening program on 17th March 2023 at Divine Dale International School, Village Sherpur, Pataudi in association with Admission team, SGT University. This programme continued the celebration of World Oral Health Day on March 15, 2023.

The Dental team was headed by Dr. Meenakshi Chopra (Reader, Department of Public Health Dentistry) along with 2 Interns Rashmit and Nisha and 1 attendant Mr. Sunil Singh. This camp was specially organized for the teaching and non-teaching staff of the school. A total of 15 members were examined which included 10 males and 5 females. Oral Health Education was imparted regarding the importance of adopting a healthy lifestyle through brushing techniques, models and charts. The purpose of the Oral Health drive was to create awareness among the people and make them understand the importance of oral health care. Patients who required dental treatment were referred to SGT Dental hospital for further treatment. They praised the dental team's efforts in contributing to a worthy cause.

It is with great appreciation and sentiments of gratitude that I am writing these few lines. This activity of dental medical check-up for these poor ladies shows the magnanimity of your heart. Definitely it was a great help for us and for the residents as well.

I will be ever grateful if this kind of medical/dental camp could be conducted in the future too as it requires

I extend my gratitude to those who have conducted this dental camp:

निराश्रित महिलाओं के लिए लगा दंत चिकित्सा शिविर

गुरुग्राम(राकेश)। एसजीटी यूनिवर्सिटी के फैकल्टी ऑफ डेंटल साइंसेज ने वर्ल्ड ओरल हेल्थ डे के उपलक्ष्य में सुल्तानपुर के आश्रय गृह की निराश्रित महिलाओं के लिए दंत चिकित्सा कैंप लगाया। इस कैंप में लगभग 50 दिव्यांग महिलाओं के दांतों के स्वास्थ्य की जांच की गई। शिविर में उन्हें दांतों को स्वस्थ रखने की आवश्यक सलाह भी दी गई।

इस अवसर पर कैम्प में एक नुकड़ नाटक के माध्यम से दांतों की हिफाजत करने के तरीके बताए गए। इस मौके पर दांतों की सुरक्षा से जुड़े उत्पाद वितरित किए गए। पब्लिक हेल्थ डेंटिस्ट्री डिपार्टमेंट के हेड डॉ. शौर्य टंडन ने बताया कि एसजीटी विश्वविद्यालय की विभिन्न आउटरीच गतिविधियों की श्रृंखला में 15 और 17 मार्च को पटौदी में डिवाइन डेल इंटरनेशनल स्कूल में दंत

स्वास्थ्य जांच और कार्यशाला भी लगाई गई थी। जहां लगभग 350 स्कूली बच्चों और शिक्षकों के दांतों की जांच की गई। डॉ. टंडन ने कहा कि दांतों की हिफाजत जरूरी है, क्योंकि स्वस्थ दांतों से व्यक्तित्व का विकास होता है। शारीरिक स्वास्थ्य को बनाए रखने में भी दांतों की बड़ी भूमिका होती है। उन्होंने शुगर का सेवन, तंबाकू और शराब, धूम्रपान आदि से बचने की सलाह दी, क्योंकि इनसे दांतों को बहुत नुकसान होता है।

WORLD ORAL HEALTH 2023 - MONTH LONG CELEBRATIONS

Mega Medical & Dental Health Camp by SGT University

Camp Location: Happy Model School, Gurugram

Date: 1st April, 2023

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in continuation with World Oral Health 2023-month long celebration activities participated in a medical & dental check-up camp along with specialist doctors from SGT Medical Hospital on 1st April, 2023 (Saturday) at Happy Model School, Sheetla Colony, Gurugram.

The dental team was headed by Dr. Shourya Tandon (Associate Dean and Prof and Head, Public Health Dentistry) along with Dr. Shikha (Periodontology), Dr. Diksha (Prosthodontics), 1 postgraduate student Dr. Pranav (Prosthodontics) and 4 interns Gaurav, Jatin, Ishaan & Pawan. Support Staff included Sunil, Darshan and Kuldeep. Dental checkup of 120 individuals and treatment to around 30 patients was provided to the people visiting the camp.

The Medical team was headed by Dr. Sansar Chand Sharma, Ex Dean & Prof and Head, Orthopedics along with other doctors from Medicine, Gynecology and other clinical departments.

From SGT University, the whole collaboration was organised by Mr. Vijender, Mr. Ratan, Mr. Anil and Mr. Kanahiya. The occasion of the Mega Health camp was the 7th Birth Anniversary of Ch. Moredhuj and was organised by Mr. Suresh Chaudhary & Mr. Ravi Chaudhary. The camp was inaugurated by Mahamandaleswar Swami Dhardev who is the founder of Pataudi Ashram. Other administrative Officers from Gurgaon were also present.

A total of around 400 people were provided with medical and dental health care which included nearby residents and adopted children by the organisers.

WORLD ORAL HEALTH 2023 - MONTH LONG CELEBRATIONS

Camp Location: Blind Relief Association, New Delhi

Date: 1st April, 2023

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in continuation with World Oral Health 2023-month long celebration activities organized a dental check-up camp along with the Department of Pediatric & Preventive Dentistry on 1st April, 2023 (Saturday) at Blind Relief Association, New Delhi. The dental team took initiative under guidance of Dr. Shourya Tandon (Associate Dean and Prof. and Head). The dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Dept. of Public Health Dentistry) along with 1 postgraduate students Dr. Mansi (Dept. of Pedodontics) and 4 interns Diksha, Livanshi, Ronit, Garima. Dental checkup of 82 individuals including students and staff was done.

Keeping in mind the significance and campaign theme of this year ' Be Proud of Your Mouth' importance of maintaining good and hygienic oral health was verbally delivered through oral health talk to the students and staff. Audio-visual aids were used to demonstrate proper brushing techniques to the staff and teachers so that they can further explain it to students. Oral health talk was rendered focusing on the importance of maintenance of oral hygiene, toothbrushing techniques, dental-related adverse habits and its consequences.

To encourage the children to adopt healthy oral practices, an oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed. To make the session more interactive, we asked few questions from the students. Some students also spelled toothbrush, toothpaste, world oral health day with the help of braille script board. Following the enthusiastic participation of the students from classes Ist to Xth, some students were appreciated with a reward.

The association authority appreciated the wholesome efforts and contribution by all the members of the dental team to make the camp successful.

WORLD ORAL HEALTH 2023 - MONTH LONG CELEBRATIONS

Camp Location: DEVILAL COLONY, PATAUDI CHOWK, GURUGRAM

Date: 5th April, 2023

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Publicity Team organized a dental as well as medical camp in extension of the month-long celebration activities on the occasion of World Oral Health Day, 2023. The camp was organized on 5th April, 2023 (Wednesday) at Devilal Colony, Pataudi Chowk, Gurugram.

The dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Dept. of Public Health Dentistry) along with 2 postgraduate students Dr. Jhalak (Dept. of Endodontics), Dr Kevin (Dept. of Periodontics) and 5 interns Lokesh, Mumtaz, Asha, Rekha, Komal. Mr. Sunil (Attendant) accompanied us. Dental checkup of 50 individuals including 24 males and 26 females from different age groups was done.

Twenty individuals were provided basic treatment which included partial oral prophylaxis, restorations, and extractions in the mobile dental van at the camp site. Positive feedback was obtained from many patients post-treatment. However rigorous cases requiring complex treatment were referred to SGT dental college. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases.

Highlighting the theme of this year 'Be Proud of Your Mouth' importance of maintaining good and hygienic oral health was verbally delivered to the patients. An oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed to the needy population.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

WORLD ORAL HEALTH DAY-2023 - MONTH LONG CELEBRATIONS

Camp Location: MD Senior Secondary School, Mankrola, Gurugram

Date: 6th April, 2023

An Oral Health Screening Program was organized by the department of Public Health Dentistry, Faculty of Dental Sciences, SGT University on 6th April, 2023 (Thursday) at MD Senior Secondary School, Mankrola, Gurugram in collaboration with SGT Publicity Team. This activity was an extension of the month-long celebration activities on the occasion of World Oral Health Day, 2023

The dental team was headed by Dr. Meenakshi Chopra (Reader, Dept. of Public Health Dentistry) along with 2 postgraduate students Dr. Neha (Dept. of Pedodontics), Dr Manmeet (Dept. of Periodontics) and 6 interns Asha, Komal, Gaurav, Amit, Diksha and Livanshi. Mr. Sunil (Attendant).

A screening of 251 students was done, which included 108 girls and 143 boys. Postgraduate students and interns gave excellent oral health presentations to students and staff. Besides being interesting, it was very informative, which helped the children overcome their fear of visiting a dentist and answered their queries.

Students received an oral hygiene kit that included toothpaste and a toothbrush. The interns appreciated the opportunity provided to them and expressed their willingness to participate in future activities conducted by the department.

The school's administrative team also expressed gratitude and appreciated the efforts of the dental team in the letter of acknowledgement.

WORLD ORAL HEALTH DAY 2023 - MONTH LONG CELEBRATIONS

WORLD HEALTH DAY 2023- HEALTH FOR ALL

Camp Location: Siwari Village, Farrukh Nagar, Gurugram

Date: 7th April, 2023

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University under the aegis of Samajik Vikas SGT Ka Prayas (SVSP) Committee in collaboration with Faculty of Medicine & Health Sciences, Nursing, Allied Sciences, Mass Communication and SGT Publicity Team organized a Mega Health Camp on occasion of World Health Day 2023 and also as an extension of the month-long celebration activities of World Oral Health Day, 2023. The camp was organized on 7th April, 2023 (Thursday) at Siwari Village, Farrukh Nagar, Gurugram.

The dental team took initiative under guidance of Dr. Shourya Tandon (Associate Dean and Prof. and Head), Dr. Sunil Dhular (Coordinator, SVSP) and Dr. Sarju Devi. Expert Guidance for the whole event was also provided by Mr. Sunil Jaglan and Dr. Bharti Raina.

The dental team was headed by Dr. Charu Khurana (Associate Professor, Dept. of Public Health Dentistry) along with 1 postgraduate student Dr. Anushi (Dept. of Pedodontics), 7 BDS interns Nisha, Preeti, Rashmit, Shalley, Swati, Ishan, Ragini along with Mr. Sunil (Attendant). Oral Health checkup of 76 individuals including 27 males and 49 females from different age groups was done.

A total of 37 patients were provided treatment in the Mobile Dental Van. Patients required complex treatment were referred to SGT Dental Hospital and informed about the provision of conveyance facility by SGT University. All the needy individuals received an oral hygiene kit that included toothpaste, toothbrush, and mouthwash. Along with that, basic medicines were also distributed to the patients. The team imparted the importance of oral health, routine oral hygiene instructions to people and demonstrated brushing techniques. Dental team also made people aware about consequences of tobacco consumption and motivated tobacco users to quit tobacco for a healthy lifestyle. The villagers expressed gratitude for the visit and pledged to take care of their oral hygiene habits in future and our dental students appreciated the opportunity provided to them and expressed their willingness to participate in future activities conducted by the department.

WORLD ORAL HEALTH 2023 - MONTH LONG CELEBRATIONS

Camp Location: Blind Relief Association, New Delhi

Date: 8th April, 2023

As quoted by Hellen Keller 'Even without sight, there is still vision'. So, to serve the complete or partial visually impaired students, the Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University along with Department of Pedodontics in continuation with World Oral Health 2023-month long celebration activities organized a dental check-up camp on 8th April, 2023 (Saturday) at Blind Relief Association, New Delhi. This was in continuation of the oral health screenings conducted on 1st April 2023, for the children at this facility.

The idea of this series of engagements for this target group was conceived by all faculty members of the department of Public Health Dentistry and Blind School authorities under the guidance and lead of Dr. Shourya Tandon (Associate Dean and Prof. and Head).

The dental team on the day was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Dept. of Public Health Dentistry) along with 1 postgraduate students Dr. Mansi (Dept. of Pedodontics) and 3 interns Diksha, Livanshi, Lakshay. Dental checkup as well as treatment of 27 students was done.

The camp initiated with a fun activity to make it more interactive, students were asked to pick up folded chits kept in a bowl and were further asked to speak on the topic mentioned in the chits. Toothbrush, toothpaste, oral health, how to brush etc. – were a few topics mentioned in the chits. Some students voluntarily recited poems, jokes and sang a song. Some students were given samples of toothbrushes, toothpastes and were asked to identify the material and speak a few lines about it.

To create awareness among them, dental awareness talk was delivered, educating students about common dental ailments. Toothbrushing technique was demonstrated using dentoform model and students were made to practice the same. Each student was assisted by the dental team members during self-practice toothbrushing session.

The association authority appreciated the dental team for rendering their selfless service to the students.

CAMP REPORT

OUTREACH ACTIVITY 11th April, 2023

KAROLI VILLAGE, NUH

The Department of Public Health Dentistry of Faculty of Dental Sciences, SGT University organized Oral health screening and Treatment program on 11th April, 2023 at Karoli Village Nuh in collaboration with Publicity team of SGT University.

The Dental team was headed by Dr Meenakshi Chopra (Associate Professor) along 2 Postgraduates Dr. Ayesha (Prosthodontics), Dr. Khushagar (Endodontics) and 6 Interns Mumtaz, Diksha, Livanshi, Lokesh, Asha and Garima) and 1 attendant Mr Darshan. A screening of 169 patients was done, which included 98 males and 71 females, of which 06 patients were treated in the mobile dental van at the camp location.

Postgraduate students and interns gave excellent oral health presentations to residents of that community, explaining the importance of good oral hygiene, the effects of tobacco use on health, and the role of a balanced diet with the help of models and charts. Patients received an oral hygiene kit with toothpaste, a toothbrush, and mouthwash.

The interns appreciated the opportunity provided to them and expressed their willingness to participate in future activities conducted by the department. The purpose of the dental camp was to create awareness in the community towards the importance of oral health.

WORLD ORAL HEALTH 2023 - MONTH LONG CELEBRATIONS

Camp Location: Sarai Village, Gurugram

Date: 12th April, 2023

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with Faculty of Medicine and Health Sciences and SGT Publicity Team organized a dental checkup and treatment camp in extension of the month-long celebration activities on the occasion of World Oral Health Day, 2023. 20. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University continued their World Oral Health 2023-month long celebration activities and conducted a treatment and follow up session for all the participants who were examined in the previous two visits scheduled on 1st and 8th April, 2023. The session was organized on 15th April, 2023 (Saturday) at Blind Relief Association, New Delhi.

The dental team took initiative under guidance of Dr. Shourya Tandon (Associate Dean and Prof. and Head). The dental team on the day was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Dept. of Public Health Dentistry) along with 3 interns Garima, Palak, Muskan.

Students from different classes were examined, of which 28 were provided treatment which included oral prophylaxis, GIC and composite restorations. Toothbrushing technique was demonstrated to the individuals using dentoform models.

Over the three visits around 200 school children as well as staffs were screened for their oral health and approximately 60 people were provided with required dental treatment. The camp concluded with a hope that the session will bring a change in behaviour of the students, and they would now start taking preventive measures to avoid dental problems as well as will follow proper oral hygiene instructions given to them.

The association authority appreciated the wholesome efforts and contribution by all the members of the dental team to make the camp successful.

21. Number & Description of Beneficiaries:

The Beneficiaries were students of Blind Relief Association, New Delhi, 28 students came forward for their Dental Check-up and treatment.

Children were given demonstrations for brushing technique. Majority of the students had good oral hygiene however some children had Dental Caries, grossly decayed teeth and extrinsic stains.

22. Outcome of the Activity & its relevance to Health Sciences:

The activity was well appreciated by the School Authorities. Proper brushing technique was demonstrated to educate the children and their teachers regarding the importance of proper oral hygiene maintenance. Twenty eight students were examined. Young Children were also shown educational videos to reinforce the oral health education imparted to them. The interns and postgraduates worked in tandem and learnt the nuances of working at an outreach setting in a school setting while realizing the importance of good teamwork and soft skills related to patient management at an outreach setting.

WORLD ORAL HEALTH 2023 - MONTH LONG CELEBRATIONS

Camp Location: Good Shepherd Pre School & Day Care, Gurgaon

Date: 17th April, 2023

Dental check-up camp was organized by the Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in continuation with the World Oral Health Day, 2023- month long celebrations on 17th April, 2023 (Monday) at Good Shepherd Pre School & Day Care, Gurgaon.

The dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Dept. of Public Health Dentistry) along with Dr. Nivedita (Senior Lecturer, Dept. of Pedodontics) and 7 interns Ishaan, Jatin, Amit, Jagriti, Mohini, Fiza, and Lokesh. Mr. Sunil (Attendant) accompanied the dental team. Oral health screening of 292 students from classes Nursery to IInd was done. The children were between the age group of 3 to 7 years.

The primary goal of this session was to increase the access and utilization of dental care at grass root levels and also to create awareness among the community. Oral health talk was rendered focusing on the importance of maintenance of oral hygiene. Demonstration of toothbrushing technique was given with the help of dentofrom model. To encourage the children to adopt healthy oral practices, an oral hygiene kit was distributed. Students who required dental treatment were referred to SGT Dental hospital for further treatment.

The camp was organized to create awareness related to the issues of oral health and the importance of oral hygiene and concluded with a high hope that the team has moved a step forward in creating an orally healthier community.
