

## **DENTAL CHECK-UP OUTREACH ACTIVITY CAMP**

Camp Location: Naharpur, Haryana

Date: 12 March, 2024

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing Team organized a dental as well as medical camp on 17 March, 2024 at Naharpur, Haryana.

The dental team took initiative under guidance of Dr. Shourya Tandon (Professor and Head, of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry, Dr. Rahul Ahalawat, 1<sup>st</sup> MDS Post Graduate Student, Department of Public Health Dentistry and Paawan (Intern ) along with Mr Darshan Bisht (Attendant). Dental checkup of 32 Patients (Females– 19; Males – 13), residents of Naharpur took place.

Positive feedback was obtained from residents of Naharpur. Cases requiring treatment were referred to SGT dental college. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty, PG and the intern. An oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed to the patients.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

6. Objective of the Activity:  
 To create awareness among the children about common oral diseases and to Promote Oral Health.

On the occasion of **WORLD ORAL HEALTH DAY**, The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing

Team organized a dental as well as medical camp (eye check-up) on 17 March, 2024 at Geetanjali International School, Sec 57, Gurugram, Haryana

The dental team took initiative under guidance of Dr. Shourya Tandon (Professor and Head, of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry and interns namely Rashi, Paawan, Manasavi, Simran, Preeti Singh, Preeti Kuhad and Kanchan along with Mr Sunil and Mr. Darshan (Attendant). Dental checkup of 32 children (Girls – 20; Boys – 12) from different classes of school took place.

Positive feedback was obtained from many children and their class teachers. Cases requiring treatment were referred to SGT dental college. All patients were given referral slips. The children got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the children by faculty and the interns. An oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed to the children.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

## INTERV. FEEDBACK

- It was a nice experience. Everyone was so cooperative and helpful.
- We promoted oral health awareness among young children.
  - The camp helped the children to learn about the importance of maintaining good oral hygiene and provided them with the necessary tools to take care of their teeth.
- OVERALL THE DENTAL CAMP WAS AN EXCELLENT INITIATIVE.

- I GOT TO LEARN SO MANY NEW THINGS AND AFTER SCREENING SO MANY PATIENTS, I NOTICED THE REGULAR PATTERN OF ORAL HEALTH PREVALENT IN THAT SCHOOL.

15. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

16. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

*In celebration of World Oral Health Day 2024, Department of Public Health Dentistry organized a dental camp at Tikli, Gurugram on 20th March, 2024. The event aimed to raise awareness about the importance of oral hygiene and its impact on overall health, aligning with this year's theme, "A Happy Mouth is a Happy Body." The camp included medical and dental team members, under the guidance of Dr. Shourya Tandon (Prof. & Head, Department of Public Health Dentistry). Dr. Surbhi Priyadarshi (Assistant Professor, Department of Public Health Dentistry) headed the camp along with postgraduate students, interns and support staff.*

*The dental camp witnessed enthusiastic participation from community members of all ages. Several dental issues were identified during the check-ups, allowing for timely intervention and treatment. By addressing these concerns early, the camp contributed to preventing more serious oral health complications. The dental camp organized on World Oral Health Day 2024 was a resounding success, fulfilling its objectives of promoting oral health awareness and providing essential dental services to the community. By emphasizing the message that "A Happy Mouth is a Happy Body," the event contributed to advancing oral health equity and fostering a culture of preventive care.*

17. *Number & Description of Beneficiaries:*

Interns Feedback

Place: Tikli, Gungaham

It was an amazing experience to be a part of the camp held in Tikli, Gungaham.

We got know about how to handle patients, giving them proper diagnosis, clearing their doubts regarding oral health and the treatment required.

We also taught them the right brushing techniques and even about the benefits of oral health care.

We also gave treatment to the patients for example: Oral prophylaxis, ultrasonic scaling, etc.

- On the occasion of World Oral Health Day, to create awareness among the participants about common oral diseases and to Promote Oral Health.*

On the occasion of **World Oral Health Day**, the Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing Team organized a dental as well as medical camp on 28 March, 2024 at Aklimpur, Haryana.

The dental team took initiative under guidance of Dr. Shourya Tandon (Professor and Head, of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry and Simran (Intern) along with Mr Darshan Bisht (Attendant). Dental checkup of 26 Patients (Females– 18; Males – 8), residents of Aklimpur took place.

Positive feedback was obtained from residents of Aklimpur. Cases requiring treatment were referred to SGT dental college. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty, PG and the intern. An oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed to the patients.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

Feedback

27/3/2024

I, Simon recently visited the East University PHD Department  
camp on 27/3/2024. The arrangement for the camp was  
very great. There was good exposure of patients.  
We gave patients their required treatment and gave  
oral hygiene instructions and demonstrated correct  
brushing technique.

Overall, it was a good learning experience.

## INTERN FEEDBACK

PLACE :- KANKROLA

Today I attended camp at Kankrola Village. It was very fruitful experience. I got to interact with a lot of patients & helped them with their problems. It was enlightening exposure to various diseases.

- Rashi  
(Intern).

### PATIENT FEEDBACK

- 1- मुझे आज के ~~कैम्प~~ से बहुत सी अपने दांते की छिमासीयो के बारे में पता चला। श्रीमान
2. मेरे लिए आज का कैम्प बहुत वाक्यदायक था। - प्रतीक
3. तब के ~~कैम्प~~ की कक्षा के बारे में आज पता चला। - मोहित

14/2/2024

### INTERN FEEDBACK

PLACE - DISCOVERY PUBLIC SCHOOL, BASAI

- 1- It was indeed a wonderful learning experience on how to handle multiple patients and variety of diseases in a non-hospital environment but with same precision and knowledge.

CHEHAN  
APOORVA  
VIDHI } (INTERNS.)

## **DENTAL CHECK-UP OUTREACH ACTIVITY CAMP**

Camp Location: Palra, Gurugram

Date: 3<sup>rd</sup> April, 2024

In celebration of World Oral Health Day 2024, Department of Public Health Dentistry organized a dental camp at Palra, Gurugram on 3<sup>rd</sup> April, 2024. The event aimed to raise awareness about the importance of oral hygiene and its impact on overall health, aligning with this year's theme, "A Happy Mouth is a Happy Body." The camp included medical and dental team members, under the guidance of Dr. Shourya Tandon (Prof. & Head, Department of Public Health Dentistry). Dr. Surbhi Priyadarshi (Assistant Professor, Department of Public Health Dentistry) headed the camp along with postgraduate students, interns and support staff.

People of all ages in the neighbourhood enthusiastically participated in the dental camp. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The World Oral Health Day 2024 dentistry camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care. By stressing the idea that "A Happy Mouth is a Happy Body," the occasion promoted preventative care culture and advanced oral health equity.

**Oral Health Check-up and  
Awareness Camp  
(Faculty of Dental Sciences)**

### Interns feedback.

Place - Literary India Rajghera

It was an experience to be a part of the camp held in Literary India Rajghera.

We got to know about how to handle patients or giving them proper diagnosis. We also provided treatment to the patients for example - Oral Bacthylax.

We also gave patients oral hygiene instructions regarding it to maintain good oral hygiene on a regular basis.

88. Objective of the Activity:

To create awareness among the participants about common oral diseases and to Promote Oral Health.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing Team organized a dental as well as medical camp on 9<sup>th</sup> April , 2024 at Khera, Alampur, Rewari, Haryana.

The dental team took initiative under guidance of Dr. Shourya Tandon (Professor and Head, of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry and Ms Divyanshi (Intern) along with Mr Devesh (Attendant).

Dental checkup of 16 Patients (Females– 8; Males – 8), residents of Khera, Alampur, Rewari took place.

Positive feedback was obtained from residents of Khera, Alampur, Rewari. Patients requiring treatment were referred to SGT dental college. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the intern. An oral hygiene kit consisting of a toothpaste and tooth brush was distributed to the patients.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

Feedback Form - 9th April

I Divyanshi visited the camp held on 9th April at Kherva, Alampur, Rewari, Haryana which was extremely helpful and eye-opening camp in all respects of my life. It was a publicity camp which was focused on enlightening the needful people of that place in the direction of oral health promotion and education.

98. **Objective of the Activity:**

99. To sensitize the students through their teachers regarding importance of their oral health.
100. To provide oral health check-up for children and educate them regarding their oral health status.

101. **Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken**

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University conducted oral health screening program on 10th April, 2024 (Wednesday) at Sucheta Memorial School, Gurugram.

The Dental team took initiative under the guidance of Dr. Shourya Tandon (Head of Dept. & Associate Dean). The Dental team was headed by Dr. Surbhi

Priyadarshi (Senior Lecturer, Department of Public Health Dentistry) along with 6 Interns Harshita, Yatharth, Chetan, Apoorva, Vidhi, Sheetal and 2 attendants Mr. Sunil and Mr. Aparn. A total of 397 students from classes V<sup>th</sup> to XII<sup>th</sup> were examined. Along with students, oral health examination was done for some of the teachers and supporting staff members in the school.

An oral health talk session was delivered which included importance of brushing, procedure of mouthwash usage and oral hygiene instructions. Doubts regarding toothbrushing technique, oral hygiene products and questions raised by students during oral health talk session were also answered by Dr. Surbhi. Oral Health Education was imparted regarding the importance of adopting a healthy lifestyle through brushing techniques, models and charts. The purpose of the Oral Health drive was to create awareness among the students and make them understand the importance of oral health care. Students who required dental treatment were referred to SGT Dental hospital for further treatment.

**102. Number & Description of Beneficiaries:**

The Beneficiaries were students of Divine Dale International School from Classes V<sup>th</sup> to XII<sup>th</sup>. 397 students came forward for their Dental Check-up out of which 213 were boys and 184 were girls. Children were given demonstrations for brushing technique. Majority of the students had good oral hygiene however some children had Dental Caries, grossly decayed teeth and extrinsic stains.

**103. Outcome of the Activity & its relevance to Health Sciences:**

The activity was well appreciated by the School Authorities. Proper brushing technique was demonstrated to educate the children and their teachers regarding the importance of proper oral hygiene maintenance. Young Children were also shown educational videos to

reinforce the oral health education imparted to them. The interns and postgraduates worked in tandem and learnt the nuances of working at an outreach setting in a school setting while realizing the importance of good teamwork and soft skills related to patient management at an outreach setting.

104. Relevant Photographs with captions (preferably geo-tagged & High-resolution images – to be mailed as separate attachments along with placement in word file also) – 4 to 6 Photographs

## Interns Feedback

Date - 11-04-2024

Place - Uncha Majra, Patnauli

It was an experience to be a part of the camp in Uncha Majra, Patnauli.

We got to know about how to handle patients or give them proper diagnosis. We also provided treatment to the patients for example oral prophylaxis.

We also gave patients oral hygiene instructions how to maintain good oral hygiene on a regular basis.

Interns -

Paawan

120. E Brochure/Banner (if made)-

121. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing team organized a dental as well as medical camp on 12th April, 2024 at Sucheta Memorial School, Gurugram

The dental team took initiative under guidance of Dr. Shourya Tandon ( Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 2 postgraduates – Dr.Meenakshi from Department of Pedodontics and Dr.Hardik from Department of Orthodontics and 7 interns –Sheetal, Vidhi, Simran, Lishica, Divyanshi, Arshiya, Tanishka along with Mr. Sunil (Attendant) accompanied us. Dental checkup of 239 adults and children were done.

Emphasis was done on motivating patients to maintain good oral hygiene.Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

*Khushi, Vidish, Kunal (Intern)*

*Mr Sunil (Attendant)*

148. *E Brochure/Banner (if made)-*

149. *Objective of the Activity: To create awareness among the people about common oral diseases and to Promote General Health & Dental Health.*

150. *Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken: The Department of Public Health Dentistry, Faculty of Dental Sciences, organized the Oral Health Screening Program on April 23, 2024 at Ashraya: Home for Destitute Women, Sultanpur, Gurugram. A total of 50 patients were examined. Patients who required complex dental treatment were referred to SGT Dental Hospital for further procedures. An oral health talk was prepared and presented by the interns, focusing on the causes oral Health diseases and how to prevent it using charts and models. A Nukkad Natak was also performed by the BDS students to create awareness among the women. They gave positive feedback and appreciated the check-up and patient care provided by the dental team. They acknowledged the way the dental team heard and attended to their problems with compassion. The purpose of the oral health check-up was to create awareness among the community and make them understand the importance of oral health.*

151. *Number & Description of Beneficiaries:*

160. *Objective of the Activity:*

*To create awareness among the people about common oral diseases and to Promote Oral Health.*

*The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Publicity team organized a dental as well as medical camp on 24th April, 2024 at Sakatpur.*

*The dental team took initiative under guidance of Dr. Shourya Tandon ( Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 1 intern– Harshit along with Mr. Devesh(Attendant) accompanied us. Dental checkup of 17 adults and children were done.*

*Emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste, toothbrushes, mouthwash were distributed among the patients on account of the same purpose. Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.*

*Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.*

*With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.*

161. *Number & Description of Beneficiaries:*

*Total-17*

*Male-11*

*Female- 6*

172. Objective of the Activity:

*To create awareness among the people about common oral diseases and to Promote Oral Health.*

173. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

*Collaborative Outreach Activity between Dept. of Community Health Nursing, FNUR, Public Health Dentistry, FDSC and Ensto, IMT Manesar was organized on 25th May, 2024 (Thursday).*

*The activity was organised under the guidance of Dr. Shourya Tandon, Associate Dean and Professor & Head, Public Health Dentistry. The dental team was headed by Dr. Surbhi Priyadarshi (Assistant Professor, Dept. of Public Health Dentistry). Two postgraduate students Dr. Harshita (Postgraduate, Dept. of Prosthodontics), Dr. Alaida (Postgraduate, Dept. of Oral Surgery) along with interns actively contributed to the drive. Mr. Sunil and Mr. Apan (Attendant) accompanied us. Dental checkup of 79 individuals including 66 males and 13 females from different age groups was done.*

*Twenty two patients were provided treatment in Mobile dental van at camp site. Dept. of Community Health Nursing, FNUR along with other departments including Ayurveda, Gynaecology, Physiotherapy, orthopaedics also participated in the camp to create awareness followed by health talk on how to take care of the teeth, importance of brushing, and proper brushing technique. Deleterious oral effects of tobacco consumption were also explained to the participants as well as many were counselled to quit the habit. Toothbrushes, toothpastes, oral mouthwashes were distributed to the needy population.*

*Satisfactory feedback was obtained from the general population. All queries regarding toothbrushing techniques were explained individually to the patients.*

*Oral Health Awareness, Education and Advise was imparted to all residents at Camp site. Residents expressed gratitude towards the authorities involved in organised the outreach Oral Health Activity and felt motivated towards Positive Oral Health.*

184. *Objective of the Activity:*

*To create awareness among the participants about common oral diseases and to Promote Oral Health Education.*

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing Team organized a dental as well as medical camp on 26 April, 2024 at Hayatpur, Gurugram, Haryana.

The dental team took initiative under guidance of Dr. Shourya Tandon (Professor and Head, of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry and Vinay (Intern) along with Mr. Devesh Bisht (Attendant). Dental checkup of 8 Patients who were residents of Hayatpur, Gurugram, Haryana, took place.

Positive feedback was obtained from residents of Hayatpur, Gurugram, Haryana . Cases requiring treatment were referred to Faculty of Dental Sciences, SGT University, Gurugram, Haryana. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the intern. An oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed to the patients.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

215. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University conducted oral health screening program in collaboration with Admission & Marketing Team on 30<sup>th</sup> April 2024 (Tuesday) at Rising Star Senior Secondary School, Pitampura, Delhi.

The activity was organized under the guidance of Dr. Shourya Tandon (Prof. and Head Department of Public Health Dentistry). The Dental team was headed by Dr. Charu Khurana (Associate Professor, Department of Public Health Dentistry) along with 2 postgraduates Dr. Mahima (Department Pedodontics) and Dr. Rishabh (Department Orthodontics) along with 6 BDS Interns Palak, Priyank, Vidish, Kunal, Khushi, Vinay and 1 attendant Mr. Apran. A total of 519 students from Primary classes till 10<sup>th</sup> were examined which included 260 boys and 259 girls. Along with students, oral health examination was done for some of the Teachers and supporting staff in the school. To encourage the children to adopt healthy oral practices, an oral hygiene kit consisting of a toothpaste, tooth brush and awareness material was also distributed.

An oral health talk session was taken by Dr. Charu Khurana where she demonstrated the appropriate brushing technique and mentioned about the adverse oral habits, oral hygiene importance, ill effects of tobacco consumption. The purpose of the Oral Health drive was to create awareness among the students and make them understand the importance of oral health care. Students who required dental treatment were referred to SGT Dental hospital for further treatment.

216. **Number & Description of Beneficiaries:**

**Total patients examined: 519**

**Males: 260**

**Females: 259**

**217. Outcome of the Activity& its relevance to Health Sciences:**

**This dental camp provided created awareness towards importance of good oral health among school children and motivated them to follow oral hygiene instructions in routine and lead a healthy life.**

**Subject – Appreciation letter for organizing free Dental Check-up camp at  
Rising Star Academy Sr. Sec. School, Raj Nagar, Pitampura, Delhi**

Dear Dr. Charu Khurana

We sincerely thank Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University for conducting a free dental camp for our 519 students from Class Nursery to Class X on 30<sup>th</sup> April 2024.

The event was quite a success in enhancing and enriching the understanding of the students about the importance of Oral Health care. The dental team also demonstrated brushing techniques and distributed free samples of toothpaste & tooth brushes to our students.

We are highly obliged for the contribution and look forward for the same in future as well.

With kindest regards and best wishes
