

CDE WORKSHOPS

2018

Keeping in mind the changing trends in Pediatric Dentistry, a CDE program was organized by Department of Pediatric and Preventive Dentistry under the able guidance of Dr Anil Gupta (Dean, HOD and Professor) on 20th October 2018. The topic for the program was **Zirconia Crowns in Pediatric Dentistry**, with the objective to increase knowledge of postgraduate and graduate students about various indications and advantages of zirconia crowns. Both Students from university and from colleges located in NCR region attended the CDE program. The CDE was followed by Hands on session for the participants training for use of zirconia crowns in dentistry.

2019

Young Smile Keepers Academic Association (Constituted under Department of Pediatric and Preventive Dentistry) in association with Orikam Healthcare Pvt. Ltd. successfully conducted a lecture and Hands-on Workshop on the topic of 'Rotary Endodontics in Primary Teeth' on 16th December 2019. The program was conducted by two reputed speakers Dr Vivek Gaurav and Dr Himanshu Kapoor and was attended by Postgraduate students and Interns from the faculty along with Postgraduate students from neighbouring colleges. The Hands-on training was also provided to the participants wherein the use of rotary file system in primary teeth was demonstrated. The program was a highly educative and informative for all the participants and was highly appreciated by all.

2022

The two-day workshop on **Introductory Course on Research Methodology and Biostatistics** is being organized under the flagship of Faculty of Dental Sciences in association of Institute of Applied Statistics and started with the inauguration of the Joint State Training Centre (Delhi-NCR) on 4th March 2022 at SGT University.

Guest speakers of the workshop Dr Padam Singh (Chief Statistical Advisor, Planning Commission, Govt of India, Former ADG, Indian Council of Medical Research), Dr Shubham Pandey (National Coordinator PSRD Scheme) and Dr Hitesh Khurana (Professor, PGIMS Rohtak).

On the First day, 112 faculty, PhD scholars, Postgraduates and Undergraduates from various institutes such as PGIMS Rohtak, Sudha Rustagi College of Dental Sciences, Amity University and ITS-CDSR and from various academic paternities attended the workshop.

The workshop was filled with learning and understanding statistics in an interesting and easy manner. **Dr Padam Singh and Dr Shubham Pandey** truly explained the subject of statistics to the participants in a way along with examples which was appreciated by all. The subject often deemed as a doom was actually explained that it will surely become a boom for all the participants.

Under the Joint State Training Centre Initiative, a series of lectures will be organized in the coming year.

The Lecture was taken up by the Guest Speaker **Dr. Shaikh Shafe Khalid** in association with **Ivoclar Vivadent**, a renowned company in Dental Materials and Equipments.

Dr. Shaikh Shafe Khalid, an Alumnus of ITS Dental College, Muradnagar, has been extensively involved in Continuing Dental Education. He has presented at various State and National Level conferences and has conducted CDE programs in General and Aesthetic Dentistry at many International Platforms across the subcontinent. The Lecture along with the Hands-On

demonstration was very informative as well as extremely knowledgeable session which was attended by the BDS 3rd year and Final year students along with Interns and Post-Graduate students.

2023

Dr. Shalini Garg along with Dr. Shalu and Dr. Vishal Sharma conducted a Workshop on 31st January 2023 and Explained the Actual working of the Nitrous-oxide Oxygen Machine and Live demonstration was given on one PG student volunteer Dr Shreyansh Jain. The workshop was attended by Postgraduates, Undergraduates and Interns.

Basic Cardio-Pulmonary Life Support Course certified by Indian Resuscitation Council Federation started on 9th March with welcoming the dignitaries and delegates. Dr. Shyam Lal Singla, Advisor, SGT University, Dr. Omkar K Shetty, Dean Faculty of Dental Sciences and Dr. Savita Saini, Professor, Department of Anesthesiology graced the inauguration. The workshop and hands-on was conducted by Dr. Baljit Singh, Head of the Department of Anesthesiology, Faculty of Medical and Health Sciences, SGT University and his team of Faculty members and Postgraduates. The workshop included the lectures and demonstrations from 10 am to 1 pm in T.V. Studio, Dental Building followed by actual hands-on by individual participants in the presence of coordinators in Simulation Reference Center, SGT Medical College from 2 pm to 4 pm. Each day around 50 participants including Faculty members, Postgraduates and Interns of SGT Dental College, Hospital and Research Institute were trained in Basic Cardio-Pulmonary Life Support. A Pre-test in the form of MCQs was conducted before the workshop and the post-test was taken to assess the knowledge about the procedure. The participants were very enthusiastic and interactive during the whole workshop. Feedback in the form of Google sheet was also taken from the participants to know about their comments/suggestions for further improvements.

A total of 147 delegates were registered, out of which 139 participated in the workshop divided into 3 batches for 3 days. All the participants will be getting the certificate of participation from Indian Resuscitation Council Federation as well as from SGT University.
