8. Objective of the Activity:

1. To sensitize the students through their teachers regarding importance of their oral health.

# SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY

(UGC & AICTE Approved) Gurugram, Delhi-NCR

2. To provide oral health check-up for children and educate them regarding their oral health status.
3. Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken

Dental check-up camp was organized by the Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University on 2nd May, 2024 (Thursday) at Good Shepherd Pre School & Day Care, Gurgaon.

The dental team took initiative under guidance of Dr. Shourya Tandon (Associate Dean and Prof. and Head). The dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Dept. of Public Health Dentistry) along with postgraduate student Dr. Nidhi (Dept. of Pedodontics) and interns Sukanya, Mamta, Himanshi, Deeksha, Ekta, Rahul. Mr. Sunil (Attendant) accompanied the dental team. Oral health screenig of 187 students from classes Nursery to IInd was done. The children were between the age group of 3 to 7 years.

The primary goal of this session was to increase the access and utilization of dental care at grass root levels and also to create awareness among the community. Oral health talk was rendered focusing on the importance of maintenance of oral hygiene. Demonstration of toothbrushing technique was given with the help of dentoform model. To encourage the children to adopt healthy oral practices, an oral hygiene kit was distributed. Students who

# **SGT UNIVERSITY**

**SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY**  
**(UGC & AICTE Approved) Gurugram, Delhi-NCR**

required dental treatment were referred to SGT Dental hospital for further treatment.

The camp was organized to create awareness related to the issues of oral health and the importance of oral hygiene and concluded with a high hope that the team has moved a step forward in creating an orally healthier community.

**4. Number & Description of Beneficiaries:**

The Beneficiaries were students of Good Shepherd Pre-School from Classes Nursery to IInd as well as teaching and non-teaching staff members. 187 students came forward for their Dental Check-up. Children were given demonstrations for brushing technique. Majority of the students had good oral hygiene however some children had Dental Caries, grossly decayed teeth and extrinsic stains.

**5. Outcome of the Activity & its relevance to Health Sciences:**

The activity was well appreciated by the School Authorities. Proper brushing technique was demonstrated to educate the children and their teachers regarding the importance of proper oral hygiene maintenance. One hundred and eighty-seven students were examined. Young Children were also shown educational videos to reinforce the oral health education imparted to them. The interns worked in tandem and learnt the nuances of working at an outreach setting in a school setting while

*To create awareness among the children about common oral diseases and to Promote Oral Health.*

# SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY  
(UGC & AICTE Approved) Gurugram, Delhi-NCR

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing team organized a dental camp on 3<sup>rd</sup> May, 2024 at *Good Shepherd Pre School*.

The dental team took initiative under guidance of Dr. Shourya Tandon ( Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 2 postgraduates – Dr.Rahul(PG-PHD), , Dr. Prashant (PG-Ortho) along with 6 interns– Sukanya, Harshit, Vinay, Vidish, Khushi, Disha along with Mr. Sunil (Attendant) accompanied us. Dental checkup of 184 children were done.

Emphasis was done on motivating patients to maintain good oral hygiene.Toothpaste, toothbrushes, mouthwash were distributed among the patients on account of the same purpose. Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

9. **Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken**

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University conducted oral health screening camp on 6<sup>th</sup> May 2024 (Monday) at Devi Lal Nagar, Sector-9, Gurugram in collaboration with SGT Publicity Team. The Dental team took initiative under the guidance of Dr. Shourya Tandon (Prof.& Head, Dept. of Public Health Dentistry). The Dental team was headed by Dr. Charu Khurana (Associate Professor, Dept. of Public Health Dentistry) along with 2 BDS Interns Mr. Vidish, Ms. Khushi and 1 attendant Mr. Devesh. A total of 10 patients including 04 males and 06 females were examined. Along with screening, health talk was delivered simultaneously on how to take care of the teeth, importance of brushing and proper brushing technique. Essential Oral hygiene aids like toothbrush, toothpaste, mouthwash were distributed to the needy population. Satisfactory feedback was obtained from the community. The patients were also given referral slips and were referred to SGT University for further needful treatment. The purpose of the dental camp was to create awareness in the community towards the importance of oral health.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with Reliance, MET organized a dental as well as medical camp on 10<sup>th</sup> May, 2024 at Baskausha.

The dental team took initiative under guidance of Dr. Shourya Tandon ( Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 1 intern – Sukanya along with Mr. Devesh(Attendant) . Dental checkup of 22 adults and children were done.

Emphasis was done on motivating patients to maintain good oral hygiene on account of celebration of World oral health week. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose. Those who required treatment were given treatment like oral prophylaxis.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

**42. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken**

Dental check-up camp was organized by the Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University on 2nd May, 2024 (Thursday) at BVM SCHOOL, GURUGRAM.

The dental team took initiative under guidance of Dr. Shourya Tandon (Associate Dean and Prof. and Head). The dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Dept. of Public Health Dentistry) along with postgraduate student Dr. Indrani (Dept. of Oral Medicine and Radiology) and interns Sukanya, Mamta, Himanshi, Deeksha, Harshit, Priyank. Mr. Sunil (Attendant) accompanied the dental team. Oral health screening of 122 students from classes Pre-Nursery to IIIrd was done. The children were between the age group of 3 to 10 years.

The primary goal of this session was to increase the access and utilization of dental care at grass root levels and also to create awareness among the community. Oral health talk was rendered focusing on the importance of maintenance of oral hygiene. Demonstration of toothbrushing technique was given with the help of dentoform model. To encourage the children to adopt healthy oral practices, an oral hygiene kit was distributed. Students who required dental treatment were referred to SGT Dental hospital for further treatment.

# **SGT UNIVERSITY**

**SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY**  
**(UGC & AICTE Approved) Gurugram, Delhi-NCR**

The camp was organized to create awareness related to the issues of oral health and the importance of oral hygiene and concluded with a high hope that the team has moved a step forward in creating an orally healthier community.

**43. Number & Description of Beneficiaries:**

The Beneficiaries were students of BVM School from Classes Pre-Nursery to IIIrd as well as teaching and non-teaching staff members. 112 students came forward for their Dental Check-up. Children were given demonstrations for brushing technique. Majority of the students had good oral hygiene however some children had Dental Caries, grossly decayed teeth and extrinsic stains.

**44. Outcome of the Activity & its relevance to Health Sciences:**

The activity was well appreciated by the School Authorities. Proper brushing technique was demonstrated to educate the children and their teachers regarding the importance of proper oral hygiene maintenance. One hundred and twelve students were examined. Young Children were also shown educational videos to reinforce the oral health education imparted to them. The interns worked in tandem and learnt the nuances of working at an outreach setting in a school setting while realizing the importance of good teamwork and soft skills related to patient management at an outreach setting.

**A Letter of Appreciation**

Shreevastu Vidya Mandir school would like to sincerely thank Department of Public Health Dentistry, Faculty of Dental Sciences SGT University, for conducting a Dental camp for our Students.

This event was quite a success in enhancing and enriching the understanding of the students about oral care. I would like to recognize the dedicated contribution of the team to such events as they continue to contribute to the development of Children throughout with their tireless efforts.

The Commitment of the staff to the health and well-being is something that goes beyond the routine of social responsibility and is much more a spiritually focused intervention. Words would never be sufficient to express our gratitude.

Special thanks to Dr. Surjit prasad and all other supporting staff.

We highly appreciate the efforts of the management of SGT University for sending their staff.

52. *Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken: The Department of Public Health Dentistry, Faculty of Dental Sciences, organized the Oral Health Screening Program on May 13, 2024 at Ganga Vihar, Gurugram. A total of 16 patients, including 8 males and 8 females were examined. Of which 7 patients were treated in mobile dental van at camp site. Patients who required complex dental treatment were referred to SGT Dental Hospital for further procedures. An oral health talk was prepared and presented by the interns, focusing on the causes oral Health diseases and how to prevent it using charts and models. The general population gave positive feedback and appreciated the check-up and patient care provided by the dental team. They acknowledged the way the dental team heard and attended to their problems with compassion. The purpose of the oral health check-up was to create awareness among the community and make them understand the importance of oral health.*

17. **Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken**

Annually World No Tobacco Day holds immense significance in combating the tobacco epidemic and promoting public health. With the theme of protecting young people from tobacco industry interference, in 2024 the Department of Public Health Dentistry & Pediatric Dentistry, FDSC, SGT University organized an awareness program at Delhi Public School, Pataudi on 27th May, 2024. The event aimed to raise awareness about the tobacco addiction and its deleterious effects on overall health amongst the 250 school children and teachers. Dr. Charu Khurana (Associate Prof.) led the team and conducted various activities in the school comprising of Health Talk, Skit Quiz Competition, and oral health check-up especially to highlight the vulnerable position of adolescents and they being targeted by Tobacco Industries. During the formative years of life, adolescents are particularly vulnerable to experiment with tobacco consumption and leading to addiction. Talking to them about tobacco can help them understand its danger and help them make the choice to be tobacco free for life. We believe it is a high time to let the youth step in and take a stand for a healthy future. A health talk was delivered simultaneously on how to take care of the teeth, importance of brushing, proper brushing technique, balanced diet, handling dental emergencies. Essential Oral hygiene aids

# SGT UNIVERSITY

## 24. E Brochure/Banner (if made)-

## 25. Objective of the Activity:

On the occasion of *World No Tobacco Day*, to raise participants' knowledge of the harmful consequences of tobacco use that may result in oral diseases and to support oral health education.

On the occasion of **World No Tobacco Day**, The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with Faculty of Nursing organized a dental on 28<sup>th</sup> May, 2024 at NIFCO Manesar, Gurugram, Haryana.

The dental team took initiative under guidance of Dr. Shourya Tandon (Professor and Head, of Public Health Dentistry).

# SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY

(UGC & AICTE Approved) Gurugram, Delhi-NCR

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry, Intern namely – Mamta and Attendant – Mr. Devesh.

Dental checkup of 4 Patients working at NIFCO Manesar, Gurugram, Haryana, took place.

Positive feedback was obtained from the factory workers of NIFCO Manesar, Gurugram, Haryana. Cases requiring further treatment were referred to Faculty of Dental Sciences, SGT University, Gurugram, Haryana. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the intern. On World No Tobacco Day health talk involving tobacco cessation and knowledge of deleterious effects of different forms smoke and smokeless forms of tobacco consumption were explained to the factory workers. Participants were encouraged to quit tobacco habits. Additionally, the negative effects of long-term tobacco use on health were brought to light. An oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed to the patients.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

**33. E Brochure/Banner (if made)-**

**34. Objective of the Activity:**

*To create awareness among the people about common oral diseases and to Promote Oral Health and to make people aware about tobacco and its ill effects.*

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with Reliance, MET organized a dental camp on 30<sup>th</sup> May, 2024 at Dadri Towe.

The dental team took initiative under guidance of Dr. Shourya Tandon ( Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 5 interns – Harsimran , Prabhjot, Ekta, Palak, Rahul along with Mr. Devesh and Mr. Apran (Attendant) accompanied us. Dental checkup of 55 adults and children were done.

Emphasis was done on motivating patients to maintain good oral hygiene on account of celebration of World oral health week. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose. Those who required treatment were given

# SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY

(UGC & AICTE Approved) Gurugram, Delhi-NCR

treatment like oral prophylaxis. Those requiring treatment were given treatment such as oral prophylaxis. Medications were prescribed and medicines were also given to them.

Focus was given on refraining from tobacco usage and its ill effects on account of World No Tobacco Day celebrated worldwide on 31<sup>st</sup> May. Children were also made aware with reference to the same. Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

Place:- Dadri Town.

## INTERN FEEDBACK

Today I was at a helpline camp, Dadri where we did approximately 50 screenings of the patients. It was a good exposure of the problems that people are facing in the village with respect to their dental health. Patients were advised oral prophylaxis, a desensitising treatment to help them was advised. Not only this, needy patients were also provided with free toothpaste, toothbrush as well as mouthwash was given specifically to patients who showed interest in quitting tobacco. They were all recorded with dental hygiene products. All in all, it was a great learning experience and we also taught healthy dental habits and counselled against ~~substance~~ tobacco. In light of "No Tobacco Day" on 31st May, all the people were guided and counselled against tobacco.

**86. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken**

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University conducted oral health screening camp on 14<sup>th</sup> June 2024 (Friday) at Bhora Kalan Village, Pataudi in collaboration with Faculty of Medicine & Health Sciences and SGT Publicity Team. The Dental team took initiative under the guidance of Dr. Shourya Tandon (Prof.& Head, Dept. of Public Health Dentistry). The Dental team was headed by Dr. Charu Khurana (Associate Professor, Dept. of Public Health Dentistry) along with 2 BDS Interns Mr. Rahul, Ms. Sukanya and 1 attendant Mr. Apran. A total of 18 patients including 08 males and 16 females were examined. Patients who required complex dental treatment were referred to SGT Dental Hospital for further procedures. Oral health education was imparted to the people and proper brushing technique was demonstrated. The general population gave positive feedback and appreciated the check up and patient care provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion. The purpose of the Oral Health check-up was to create awareness among the community and make them understand the importance of oral health.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Publicity team organized a dental as well as medical camp on 18<sup>th</sup> June, 2024.

The dental team took initiative under guidance of Dr. Shourya Tandon ( Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 1 intern – Harshit along with Mr. Devesh (Attendant) accompanied us. Dental checkup of 8 adults and children were done.

Emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

(UGC & AICTE Approved) Gurugram, Delhi-NCR

The dental team took initiative under guidance of Dr. Shourya Tandon (Professor and Head, of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry and Ms. Disha & Ms. Ekta (Interns) along with Mr. Devesh (Attendant). Dental checkup of 24 Patients (Females– 14; Males – 10), residents of Rajpura, Gurugram, Haryana took place.

Positive feedback was obtained from residents of Rajpura, Gurugram. Patients requiring treatment were referred to SGT dental college. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the intern. An oral hygiene kit consisting of a mouthwash and tooth brush was distributed among the patients.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

राजपुरा में आयोजित कैंप का हिस्सा बनना एक अभूत अनुभव था। हमें इस कैंप के द्वारा पता चला कि गरीबों को कैसे सहायता है और उन्हें उचित निदान कैसे देना है।

हमने इस कैंप में गरीबों का निदान किया है और उन्हें आवश्यक उपचार के बारे में बताया।

इस कैंप का हिस्सा बनना हमारे लिये एक अच्छा सीखने का अनुभव था।

# SGT UNIVERSITY

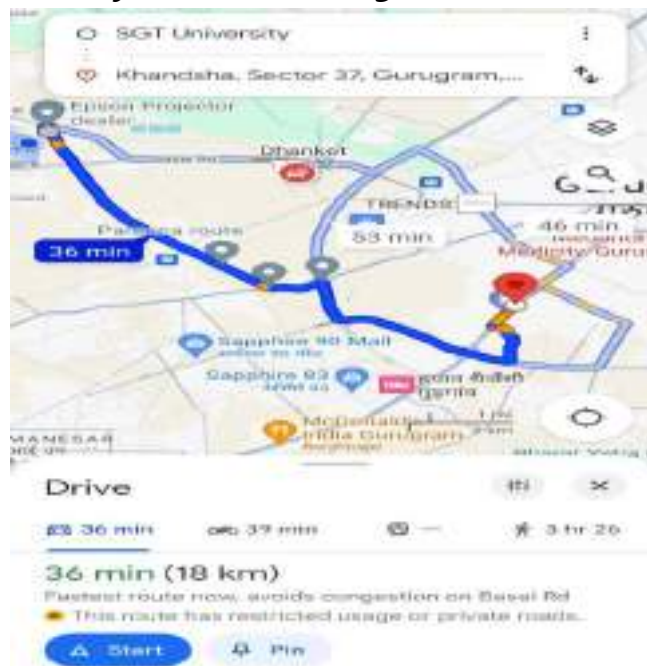

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY  
(UGC & AICTE Approved) Gurugram, Delhi-NCR

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with publicity team organized a dental as well as medical camp on 28<sup>th</sup> June, 2024 at Khandsa, Gurgaon.

The dental team took initiative under guidance of Dr. Shourya Tandon ( Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 6 interns – Sukanya, Vinay, Harshit, Mamta, Khushi, Vidish along with Mr. Sunil and Mr. Apran(Attendant) accompanied us. Dental checkup of 22 adults and children were done.

Emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

Date- 29/6/24

Place- Khandela, Gurugram

It was an amazing experience to be a part of the camp held in Khandela, Gurugram. We got to know about how to handle patients or giving them proper diagnosis. We also guided them about proper brushing technique and maintaining oral hygiene.
