6. Objective of the Activity:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with publicity team organized a dental as well as medical camp on 5th July, 2024 in Noorpur.

The dental team took initiative under guidance of Dr. Shourya Tandon (Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 4 interns – Palak, Ekta, Harsimran, Disha along with Mr. Devesh and Mr. Apran(Attendant) accompanied us. Dental checkup of 3 adults and children

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

were done.

Emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

Interns Feedback

Place: Noorpur

It was an amazing experience to be a part of the camp held in Noorpur.

We got to know about how to handle patients and how to give proper diagnosis to them.

It was overall a great learning experience for us.

- Interns – Harshit, Rahul. Mamta, Khushi, Vidish*
- Attendant – Mr. Apran*

[illegible]

To create awareness among the participants about common oral diseases and to Promote Good Oral Health Practices.

The dental team took initiative under guidance of Dr. Shourya Tandon (Professor and Head, of

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry and Interns – Harshit, Rahul. Mamta, Khushi, Vidish and Attendant – Mr. Apran.

Dental checkup of 56 Patients (Females– 40; Males – 16) (Girls-15; Boys-15), residents of Laxman Vihar, Gurugram, Haryana took place.

Positive feedback was obtained from residents of Laxman Vihar , Gurugram. Patients requiring treatment were referred to SGT dental college. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the interns. An oral hygiene kit consisting of a mouthwash and tooth brush was distributed among the patients.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

45. **Objective of the Activity:**

To create awareness among the participants about common oral diseases and to Promote Good Oral Health Practices.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Publicity Team organized a dental camp as well as medical camp on

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

16th July, 2024 at Ujwa, Delhi

The dental team took initiative under guidance of Dr. Shourya Tandon (Professor and Head, Department of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry MDS 1ST Year Post Graduates: Dr Priya (Department of Periodontics) & Dr. Jai (Department of Prosthodontics, Crown & Bdrige, Implantology) Interns –Mahesh, Ekta, Jyotsna and Tadmin, and Attendant – Mr.Devesh.

Dental checkup of 16 Patients (Females– 8; Males – 8), residents of Ujwa. Mobile dental van was used in providing treatment of scaling for 6 patients.

Positive feedback was obtained from residents of Ujwa. Patients requiring further treatment were referred to SGT Dental College. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the intern. An oral hygiene kit consisting of a mouthwash and tooth brush was distributed among the patients.

Oral Health Education was also delivered among school students by demonstrating brushing technique using toothbrush and mouth models.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

To create awareness among the people about common oral diseases and to Promote Oral Health.

55. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Carterpuri, Gurugram on 19th July, 2024. The camp included medical and dental team members, under the guidance of Dr. Shourya Tandon (Prof. & Head, Department of Public Health Dentistry). Dr. Surbhi Priyadarshi

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

(Assistant Professor, Department of Public Health Dentistry) headed the camp along with interns Kanchan, Sonia and support staff- Mr. Sunil.

People of all ages in the neighbourhood enthusiastically participated in the dental camp. 15 individuals including 9 males and 6 females were examined. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.

June 22-07-2024 at Tirpadi, Farrukhnagar. A total of 21 patients, including 13 males and 08 females were examined and Patients who required complex dental treatment were referred to SGT Dental Hospital for further procedures. An oral health talk was prepared and presented by the students and Individual counselling was given to help people of that community. The general population gave positive feedback and appreciated the check-up and patient care provided by the dental team. They acknowledged the way the dental team heard and attended to their problems with compassion. The purpose of the oral health check-up was to create awareness among the community and make them understand the importance of oral health.

9. **Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken**

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University conducted oral health screening camp on 27th July 2024 (Thursday) at Bissar Village, Mewat in collaboration with Faculty of Medicine & Health Sciences and SGT Publicity Team. The Dental team took initiative under the guidance of Dr. Shourya Tandon (Prof.& Head, Dept. of Public Health Dentistry). The Dental team was headed by Dr. Charu Khurana (Associate Professor, Dept. of Public Health Dentistry) along with 2 BDS Interns Ms. Reetika, Ms. Garisha and 1 attendant Mr. Devesh. A total of 36 patients including 14 males and 22 females were examined. Patients who required complex dental treatment were also given referral slips and referred to SGT Dental Hospital for further procedures. Oral health education was imparted to the people and proper brushing technique and hand sanitation was demonstrated. The general population gave positive feedback and appreciated the check up and patient care provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion The purpose of the Oral Health check-up was to create awareness among the community and make them understand the importance of oral health.

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

Under the aegis of Hon'ble (Brig.) Dr. Anil Kohli (Padma Bhushan, Padma Shri); Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University, Gurugram organized an Oral Health Check-up and Treatment along with specialized hearing screening camp at the Blind Relief Association, Lodhi Road, Delhi on 29th July 2024. The event was conducted in collaboration with International College of Dentists- India Section and Mankind Pharmaceuticals. An oral health awareness session was imparted to all the visually impaired school children and vocational courses students. Braille transcribed oral hygiene instructions sheets were also distributed among the attendees of the event. The oral health status was examined of around 150 individuals and 25 patients received dental treatment in the one of its kind Mobile Dental Van. The department of Audiology from the university conducted hearing screening of 40 patients with audiological complaints. Of which, around 40% visually impaired individuals found of active conductive pathology. All dental and hearing patients requiring complex treatment were identified and would be taken and followed up for appropriate treatment. To encourage the students to adopt healthy oral practices, an oral hygiene kit consisting of a toothpaste, tooth brush and fluoridated mouthwash was distributed. This event was an initiative bring healthy smiles and improved hearing to the lives of visually impaired individuals. The Blind Relief Association official authorities appreciated the wholesome efforts and contribution by all the members of the team to make the camp successful.

50. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

51. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Pataudi, Gurugram on 29th July, 2024. The camp included medical and dental team members, under the guidance of Dr. Shourya Tandon (Prof. & Head, Department of Public Health Dentistry). Dr. Surbhi Priyadarshi (Assistant

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

Professor, Department of Public Health Dentistry) headed the camp along with interns Kanchan, Sonia and support staff- Mr. Aparn.

People of all ages in the neighbourhood enthusiastically participated in the dental camp. 30 individuals including 8 males and 22 females were examined. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.

18. Objective of the Activity:

To create awareness among the children about common oral diseases and

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

to Promote Oral Health.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing team organized a dental camp on 10th August, 2024 at Indira Gandhi Senior Secondary School.

The dental team took initiative under guidance of Dr. Shourya Tandon (Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 1 postgraduate – Dr.Akanksha(PG-ENDO), along with 6 interns– Ritika, Ekta, Mahesh, Deepika, Tadmin, Garisha along with Mr. Devesh (Attendant) accompanied us. Dental checkup of 29 adults and 36 children were done.

Emphasis was done on motivating patients to maintain good oral hygiene.Toothpaste, toothbrushes, mouthwash were distributed among the patients on account of the same purpose. Cases requiring treatment like oral prophylaxis was given in the camp. Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their

interns – Preeti, Janak, Saloni, Jyotsana and support staff- Mr. Devesh.

People of all ages in the neighbourhood enthusiastically participated in the dental camp. 32 individuals including 22 males and 10 females were examined. Treatment to 12 patients were provided in Mobile Dental Van on Camp site. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.

INTERNS FEEDBACK

Date - 13/08/24 13th August 2024

Place - Farukhnagar

It was an amazing experience to be a part of the camp held in Farukhnagar on 13/8/24. We get to know about how to handle patients & giving them proper diagnosis. We also gave treatment options which are suitable for them for example - oral prophylaxis, extraction, fixed prosthesis.

51. **Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken**

An oral health screening camp was organized by Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University on 16th August 2024 (Friday) in association with SGTU Publicity Team. The Dental team took initiative under the guidance of Dr. Shourya Tandon (Prof. & Head). The Dental team was headed by Dr. Charu Khurana (Associate Professor, PHD Department) along with 2 Interns- Kalash, Yachika and 1 attendant - Mr. Aparn from PHD Department. A total of 32 patients were examined which included 30 females and 02 males. Patients who required complex treatment were referred to Dental Hospital in SGT University. Oral health education was imparted to the people and proper brushing technique was demonstrated to both adult and child patients. The general population gave positive feedback and appreciated the check up and treatment provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion and were appreciative of the oral health education and counselling disseminated to them. The interns appreciated the opportunity provided to them to interact with patients at a community setting leading to improvement in their soft skills and approach towards patients in an outreach location, they also expressed their wish to participate in such activities in the future. The purpose of the dental camp was to create awareness in the community towards the importance of oral health.

People of all ages in the neighbourhood enthusiastically participated in the dental camp. 25 individuals including 13 males and 12 females were examined. Treatment to 13 patients were provided in Mobile Dental Van on Camp site. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.

INTERNS FEEDBACK

Date - 23rd August 2024.

Place - Mundhwa

It was an amazing experience to be a part of the camp held in Mundhwa on 23/8/24. We got to know a lot of information regarding how to handle patients & giving proper diagnosis. We also provided proper treatment to patients - of oral porphyria.

86. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Publicity team organized a dental as well as medical camp on 27th August, 2024 at Samarpur.

The dental team took initiative under guidance of Dr. Shourya Tandon (Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 2 interns – Jyotsana, Tadmin along with Mr. Apran(Attendant) accompanied us. Dental checkup of 23 adults and children were done.

Emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste, toothbrushes, mouthwash were distributed among the patients on account of the same purpose. Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous

106. Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken

An oral health screening camp was organized by Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University on 29th August 2024 (Thursday) in association with SGTU Publicity Team. The Dental team took initiative under the guidance of Dr. Shourya Tandon (Prof. & Head). The Dental team was headed by Dr. Charu Khurana (Associate Professor, PHD Department) along with 2 Interns- Garisha, Reetika and 1 attendant - Mr. Sunil from PHD Department. People of all ages in the neighbourhood enthusiastically participated in the dental camp. A total of 27 patients were examined which included 19 females and 08 males. Patients who required complex treatment were referred to Dental Hospital in SGT University. Oral health education was imparted to the people and proper brushing technique was demonstrated to both adult and child patients. The general population gave positive feedback and appreciated the check up and treatment provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion and were appreciative of the oral health education and counselling disseminated to them. The interns appreciated the opportunity provided to them to interact with patients at a community setting leading to improvement in their soft skills and approach towards patients in an outreach location, they also expressed their wish to participate in such activities in the future. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.
