6. *Objective of the Activity:*

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Publicity team organized a dental as well as medical camp on 5th November, 2024 at Shikarpur.

The dental team took initiative under guidance of Dr. Shourya Tandon (Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with one PG Dr. Mahima (Public Health Dentistry) and 3 interns – Aashi, Obi, Heri along with Mr. Devesh(Attendant) accompanied us. Dental checkup of 40 adults and children were done.

Emphasis was done on motivating patients to maintain good oral hygiene .Toothpaste and toothbrushes were distributed among the patients on account of the same purpose. Those who required treatment were given treatment like oral prophylaxis.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

Intern's Feedback

Place → Shikarpur, (Najafganj)

It was an amazing experience to be a part of the camp held in Shikarpur (Najafganj) South West Delhi. We got to know about how to handle the patient or giving them proper diagnosis.

We also gave treatment to the patient for example Oral prophylaxis, with oral hygiene instruction given at the same time.

Oral Hygiene Awareness were also performed.

7. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

8. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

In celebration of National Toothbrushing Day 2024, Department of Public Health Dentistry in association with Innova8 Academics Club organized a dental camp at Kherki Village, Gurugram on 7th November, 2024 targeting schoolchildren and local residents. The primary aim of the camp was to promote oral hygiene awareness and educate children and village residents

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

about effective toothbrushing techniques, emphasizing the importance of preventive care in maintaining oral health.

The camp included medical and dental team members, under the guidance of Dr. Shourya Tandon (Prof. & Head, Department of Public Health Dentistry). Dr. Surbhi Priyadarshi (Assistant Professor, Department of Public Health Dentistry) headed the camp along with postgraduate student- Dr. Vibhusha (Dept. of Pedodontics), Prachi, Arushi, Achint, Nallini, Kusum (interns) and Mr. Sunil (support staff). Total 25 patients were examined of which 15 were males and 10 females. 11 patients were provided treatment in dental van at camp site.

The camp included interactive demonstrations, dental check-ups, and distribution of oral hygiene kits to encourage the practice of proper oral hygiene. A special session was conducted to demonstrate proper brushing techniques. Using visual aids, pamphlets (IEC materials) and models, dental professionals taught participants the importance of brushing twice a day, using the correct angle, and focusing on each section of the mouth for effective cleaning. Special focus was placed on brushing frequency, duration, and avoiding aggressive brushing. Schoolchildren and village residents actively participated in the toothbrushing workshop, where they were encouraged to mimic brushing techniques on dental models. This hands-on session aimed to reinforce correct habits and prevent common mistakes such as neglecting the gumline or using excessive pressure.

Patients requiring rigorous treatment were referred to the SGT hospital with the referral slip. The event was met with enthusiasm and appreciation from participants, particularly schoolchildren who enjoyed the interactive brushing

29. Objective of the Activity:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing team organized a dental as well as medical camp on 12th November, 2024 at NSV Company, Gurgaon.

The dental team took initiative under guidance of Dr. Shourya Tandon (Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with one intern – Keshav along with Mr. Apran(Attendant) accompanied us. Dental checkup of 25 adults were done.

Emphasis was done on motivating patients to maintain good oral hygiene .Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

Appreciation Letter for Medical Camp

Date – 12-11-2024

Subject: Appreciation for Successful Organization of Medical Camp at
NSV India Pvt. Ltd.

Dear Team,

I am thrilled to extend my heartfelt appreciation for the successful organization of today's health camp at our premises. This initiative has demonstrated our commitment to prioritizing employee health and wellness, and I am proud to see it executed so effectively.

Our sincere thanks go to the dedicated medical team from **SGT Medical College, Hospital, and Research Institute** for their time and expertise. I would like to recognize **Dr. Hritik Yadav, General Physician**, for his valuable advice to our employees, addressing a wide range of health concerns. **Dr. Priyanka Raj, Sudhanshu, Vipin (Ophthalmologists), Dr. Rangoli Srivastava (Dental Specialist), Keshav (Intern), and Mr. Apran (Attendant)** conducted thorough checkups with utmost professionalism and care. Their support has been invaluable in providing our team with accessible healthcare.

The positive impact of this camp on our employees' well-being is undeniable, and I appreciate everyone's efforts in making this initiative a success. Together, we are fostering a healthier workplace.

dental as well as medical camp on 12th November, 2024 at Village Dariyapur Khurd, Delhi. A total of 19 patients including 12 males and 7 females were examined, of which 3 patients were treated in Mobile Dental van at camp site. Patients who required complex dental treatment were referred to SGT Dental Hospital for further procedures. Oral health education was imparted to the people and proper brushing technique was demonstrated. The general population gave positive feedback and appreciated the check up and patient care provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion. The purpose of the Oral Health check-up was to create awareness among the community and make them understand the importance of oral health.

procedures. Oral health education was imparted to the people and proper brushing technique was demonstrated. The general population gave positive feedback and appreciated the check up and patient care provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion. The purpose of the Oral Health check-up was to create awareness among the community and make them understand the importance of oral health.

CAMP FEEDBACK

Department of Public Health dentistry
Organized a dental camp at Precision
Tech enterprises, Sector - 88 Gurgaon on
16 Nov. 2024.

The camp was an amazing experience.
I had a great time learning new
skills.

Interactive sessions on oral health
education and promotion.

I appreciated the opportunity to learn
from experts and engage with like-
minded individuals.

Camp provides a unique platform to
explore the intersection of dentistry
and community health.

33. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

34. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

A dental camp was organized by Department of Public Health Dentistry in association with SGT Publicity at Pearl Global, Udyog Vihar, Haryana on 22nd November, 2024. The camp included medical and dental team members, under the guidance of Dr. Shourya Tandon (Prof. & Head, Department of Public Health Dentistry). Dr. Surbhi Priyadarshi (Assistant

SGT UNIVERSITY

(UGC & AICTE Approved) Gurugram, Delhi-NCR

Professor, Department of Public Health Dentistry) headed the camp along with interns – Kusum, Keshav, Vikash, Nallini, Prachi, Arushi and support staff- Mr. Sunil.

People of all ages in the neighbourhood enthusiastically participated in the dental camp. 62 individuals were examined. Treatment to 14 patients were provided in Mobile Dental Van on Camp site. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. Oral hygiene instructions were given and toothbrushing technique was demonstrated to the patients as per their need using dentoform models.

The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.

35. Number & Description of Beneficiaries:

To create awareness among the people about common oral diseases and to Promote Oral Health.

47. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Nimana , haryana on 27th november, 2024. The camp included dental team members, under the guidance of Dr. Shourya Tandon (Prof. & Head, Department of Public Health Dentistry). Team members include – Postgraduate students -Dr. Rahul (Department of Public Health Dentistry) , Dr. Mahima (Dept. of Public Health Dentistry), Dr. Sanal (Dept. of prosthodontics),Dr. Himani (Dept . of Periodontology) and interns –Kusum , Daksh , Pratham, Ashi , Prachi , Arushi and support staff- Mr. Sunil , Mr. Aparn .

People of all ages in the neighbourhood enthusiastically participated in the dental camp. 91 individuals including 45 males and 46 females were examined. Treatment to 20 patients were provided in Mobile Dental Van on Camp site. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.

INTERNS FEEDBACK

Date :- 27/11/2024

Place :- NIMANA village

It was an amazing experience to be a part of the camp held in Nimana on 27/11/2024. We got to know a lot of information regarding how to handle patients, giving proper diagnosis. We had also provided proper treatment to patients.
eg:- Oral prophylaxis

60. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

61. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Publicity Team organized a dental as well as medical camp on 28th November, 2024 at Tauru Village, Haryana.

The dental team took initiative under guidance of Dr. Shourya Tandon (Associate Dean and Prof. and Head). The dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Dept. of Public Health Dentistry) along with 2 interns- Daksh and Achint. Mr. Aparn (Attendant) accompanied us.

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

Dental checkup of 13 individuals from different age groups was done.

Positive feedback was obtained from many patients post-treatment. However rigorous cases requiring complex treatment were referred to SGT dental college. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients. An oral hygiene kit consisting of a toothpaste, tooth brush and mouthwash was distributed to the needy population. Along with this, medicines including analgesics, antibiotics and multivitamins were distributed at the camp site.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

Dentistry) along with Interns- Arushi, Prachi and 1 attendant - Mr. Sunil from PHD department. A total of 44 patients were examined which included 33 males and 11 females. Patients who required complex treatment were referred to Dental Hospital in SGT University. Oral health education was imparted to the people and proper brushing technique was demonstrated to both adult and child patients.

Individuals gave positive feedback and appreciated the check up and treatment provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion and were appreciative of the oral health education and counselling disseminated to them. The purpose of the dental camp was to create awareness in the community towards the importance of oral health.

93. *Objective of the Activity:*

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Publicity team organized a dental as well as medical camp on 2nd December, 2024 at Basai.

The dental team took initiative under guidance of Dr. Shourya Tandon (Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 5 interns – Obi, Ashi, Kunika, Palak, Vikas along with Mr. Sunil(Attendant) accompanied us. Dental checkup of 48 adults and children were done.

Emphasis was done on motivating patients to maintain good oral hygiene .Toothpaste and toothbrushes were distributed among the patients on account of the same purpose. Those who required treatment were given treatment like oral prophylaxis.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum

105. Objective of the Activity:

***To create awareness among the children about common oral diseases
and to Promote Oral Health.***

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University organized a dental on 3rd December, 2024 at Saraswati International School, Sec 74, Gurugram, Haryana

The dental team took initiative under guidance of Dr. Shourya Tandon (Professor and Head, of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry Dr. Jyoti – MDS 1st Year Post Graduate Student – Department of Periodontology, Dr. Yoshita - MDS 1st Year Post Graduate Student – Department of Orthodontics & Dentofacial Orthopedics, Interns – Nallini, Palak, Pratham and Koushik, Attendant – Mr Apran

Dental checkup of 394 children (Girls – 176; Boys – 218) from different classes of school took place.

Positive feedback was obtained from many children. Cases requiring treatment were referred to SGT dental college. All patients were given referral slips. The children got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the children by faculty, post graduate students, and the interns. An oral hygiene kit consisting of a toothpaste and tooth brush was distributed to the children.

SGT UNIVERSITY

To Whom It May Concern

We would like to thank "SGT University" for conducting a general health checkup (including full body checkup by Faculty of Physiotherapy, Eye check up by Faculty of Allied Health Sciences, and Dental checkup by Faculty of Dental Science) On 03 December, 2024 in Saraswati International School and special thanks to Admission and Marketing Team for providing such a fruitful Health camp in our school premises.

The general medical checkup provided by them is found satisfactory to us.

We wish them all success in all their future endeavours.

Special thanks to Dimple ma'am for arranging such a fruitful medical camp in our school premises.

114. Objective of the Activity:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Publicity team organized a dental as well as medical camp on 6th December, 2024 at Kazipur.

The dental team took initiative under guidance of Dr. Shourya Tandon (Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with one PG Dr. Mahima (Public Health Dentistry) and 5 interns – Obi, Heri, Achint, Aashi, Daksh along with Mr. Devesh(Attendant) accompanied us. Dental checkup of 30 adults and children were done.

Emphasis was done on motivating patients to maintain good oral hygiene .Toothpaste and toothbrushes were distributed among the patients on account of the same purpose. Those who required treatment were given treatment like oral prophylaxis.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

12. Objective of the Activity:
13. To create awareness about importance of oral health and routine oral care among general population
14. To provide basic treatment to patients in Mobile Dental Van
15. To refer patients required complex treatment to SGT Dental Hospital, SGT University, Gurugram
16. Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University organized Dental check-up and Treatment Camp in collaboration with Reliance Foundation on 11th December 2024 (Wednesday) at Jahangirpur Village, Jhajjar District, Haryana.

The Dental team was headed by Dr. Charu Khurana (Associate Professor and Head, Department of Public Health Dentistry) along with 2 postgraduate students Dr. Jyoti from Department of Periodontology, Dr. Prerna from Department of Oral Medicine and Radiology and 6 BDS Interns Daksh, Prachi, Arushi, Aashi, Vikash, Keshav along with 1 attendant Mr. Sunil. The dental camp started at 10:15 am and continued till 2:00 pm.

During the Outreach activity, Oral health status of 57 villagers and 59 children of Govt. senior secondary school of the village were examined.

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

Around 13 patients diagnosed with poor oral hygiene were provided professional cleaning of teeth in the Mobile Dental Van of SGT University. The team imparted the importance of oral health, routine oral hygiene instructions to all the attendees at the camp using various Information, Education and Communication materials.

The team provided the oral hygiene products like Toothpastes, Toothbrushes, Mouthwashes and Basic medicines to the needy ones. The team also distributed awareness materials on healthy oral habits, oral hygiene practices, ill effects of tobacco consumption and other adverse habits.

17. Number & Description of Beneficiaries:

Total patients examined: 116

Males: 24

Females: 92

18. Outcome of the Activity & its relevance to Health Sciences:

This dental camp provided created awareness towards importance of good oral health among villagers and school children and motivated them to follow oral hygiene instructions in routine and lead a healthy life. A total of 13 patients were provided treatment of oral prophylaxis. Patients required complex treatment were referred to SGT Dental Hospital, SGT University, Gurugram. The dental team received positive feedback from the attendees of camp as well as social leaders of Jahangirpur Village.

26. Objective of the Activity:

The dental team took initiative under guidance of Dr. Shourya Tandon (Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with one intern – Kunika along with Mr. Apran(Attendant) accompanied us. Dental checkup of 32 adults were done.

Emphasis was done on motivating patients to maintain good oral hygiene .Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

62. *Objective of the Activity:*

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing team organized a dental as well as medical camp on 19th December, 2024 at Rosenberg Interconnect, Gurgaon.

The dental team took initiative under guidance of Dr. Shourya Tandon (Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 2 interns – Jhalak, Shivani along with Mr. Apran(Attendant) accompanied us. Dental checkup of 67 adults were done.

Emphasis was done on motivating patients to maintain good oral hygiene .Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the

74. Objective of the Activity:

To create awareness among the children about common oral diseases and to Promote Oral Health.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University organized a dental on 20th December, 2024 at Scholars Global School, Bahadurgarh, Haryana

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Professor & Head, Dept. of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry, Interns – Nallini, Arushi, Prachi, Daksh, Kusum, , Attendant – Mr Apran

Dental checkup of 454 children (Girls – 175; Boys – 279) from different classes of school took place.

Positive feedback was obtained from many children. Cases requiring treatment were referred to SGT dental college. All patients were given referral slips. The children got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the children by faculty, post graduate students, and the interns. An oral hygiene kit consisting of a toothpaste and tooth brush was distributed to the children.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

85. **Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:** *The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Publicity Team organized a dental as well as medical camp on 21st December, 2024 at Scholar's Pride School, Sec 6, Gurugram, Haryana. A total of 55 patients including 28 males and 27 females were examined. Patients who required complex dental treatment were referred to SGT Dental Hospital for further procedures. Oral health education was imparted to the people and proper brushing technique was demonstrated. The company workers gave positive feedback and appreciated the check up and patient care provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion. The purpose of the Oral Health check-up was to create awareness among the community and*

107. Objective of the Activity:

To create awareness among the children about common oral diseases and to Promote Oral Health.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University organized a dental on 23rd December, 2024 at St. Soldier Sr. Sec. School, Sankhol

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

Bahadurgarh, Haryana.

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Professor & Head, Dept. of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry, MDS Post Graduate Students – Dr Prince – Dept. of Pediatric and Preventive Dentistry; Dr. Rubbal – Dept of Orthodontics and Dentofacial Orthopedics, Interns – Prachi, Arushi, Achint Kaur and Attendant – Mr. Devesh.

Dental checkup of school children 299 (Girls 139–; Boys – 160) from different classes of school took place.

Positive feedback was obtained from many children. Cases requiring treatment were referred to SGT Dental College. All patients were given referral slips. The children got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the children by faculty, post graduate students, and the interns. An oral hygiene kit consisting of a toothpaste and tooth brush was distributed to the children.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.
