36. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

37. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Precision Tech, Gurugram on 14th January, 2025. The camp included medical and dental team members, under the guidance of Dr. Charu Khurana (Asso. Prof. & Head, Department of Public Health Dentistry). Dr. Surbhi Priyadarshi

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

(Assistant Professor, Department of Public Health Dentistry) headed the camp along with interns Simran, Palak and support staff- Mr. Devesh.

People of all ages in the neighbourhood enthusiastically participated in the dental camp. 50 individuals including 48 males and 2 females were examined. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.

Interns Feedback.

Place - Panchsain Tech Gurugram.

It was an amazing being at the camp held at Panchsain Tech, Gurugram. It was all together, ^{we} being there under the guidance of Dr. Dushin, who taught us how to give proper drug use and treatment and advice about prophylaxis to the patients.

We also ~~provided~~ ^{referred} the patients after treatment and told them about ways to maintain good oral hygiene.

27. Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in association with SGT Admission Team conducted oral health screening program on 21st January, 2025 (Tuesday) at Sri Ram International School, Najafgarh.

The Dental team took initiative under the guidance of Dr. Charu Khurana (Associate Prof. & Head). The Dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Department of Public Health Dentistry) along with 5 Interns Parul, Neha, Dugi, Tanya, Jyoti and 1 attendant-Mr. Aparn. A total of 294 students from classes Nursery to Vth were examined. Along with students, oral health examination was done for some of the teachers and supporting staff members in the school.

An oral health talk session was delivered which included importance of brushing, procedure of mouthwash usage and oral hygiene instructions. Doubts regarding toothbrushing technique, oral hygiene products and questions raised by students during oral health talk session were also answered. Oral Health Education was imparted regarding the importance of adopting a healthy lifestyle through brushing techniques, models and charts. The purpose of the Oral Health drive was to create awareness among the students and make them understand the importance of oral health care. Students who required dental treatment were referred to SGT Dental hospital for further treatment.

28. Number & Description of Beneficiaries:

The Beneficiaries were students of Sri Ram International School, Najafgarh from Classes Nursery to Vth as well as teaching and non-

teaching staff members. 294 students came forward for their Dental Check-up. Children were given demonstrations for brushing technique. Majority of the students had good oral hygiene however some children had Dental Caries, grossly decayed teeth and extrinsic stains.

29. **Outcome of the Activity & its relevance to Health Sciences:**

The activity was well appreciated by the School Authorities. Proper brushing technique was demonstrated to educate the children and their teachers regarding the importance of proper oral hygiene maintenance. Two hundred and ninety four students were examined. Young Children were also shown educational videos to reinforce the oral health education imparted to them. The interns worked in tandem and learnt the nuances of working at an outreach setting in a school setting while realizing the importance of good teamwork and soft skills related to patient management at an outreach setting.

46. Objective of the Activity:

To create awareness among the participants about common oral diseases and to Promote Good Oral Health Practices.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Admission Team organized a dental camp as well as medical camp on 22nd January 2025 at Sri Ram International School, Najafgarh, New Delhi.

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Professor and Head, Department of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal (Assitant Professor, Dept. of Public Health Dentistry), Interns – Kabir, Ishan, Varushi, Saloni, Preeti, Jhanak and Attendant – Mr. Devesh

Dental checkup of 443 students (Females - 220 ; Males – 223), took place.

Patients requiring treatment were referred to SGT Dental College. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the students by faculty and the interns.

Oral Health Education was also delivered among employees by demonstrating brushing technique using toothbrush and mouth model.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

camp along with interns Ankita, Dugi, Parul, Isha and support staff-Mr.Devesh.

People of all ages in the neighbourhood enthusiastically participated in the dental camp. 59 individuals including 24 males and 33 females were examined. 12 patients were given treatment in mobile dental van at camp site. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.

Department of Public Health Dentistry organized a dental camp at Gram Sachivayala, Deverkhana on 29th January 2025. The camp was organized through collaborative efforts of Reliance Foundation which takes care of the social development of people residing in the Reliance Model Economic Township areas. People of all ages in the neighborhood enthusiastically participated in the dental camp. 100 individuals including 50 males and 50 females were examined. 18 patients were given treatment in mobile dental van at camp site mainly including Oral Prophylaxis and Dental Extraction. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was able to accomplish its goals of raising community awareness of oral health issues and offering vital dental care. People who needed advanced dental care were referred to the main campus Dental Clinics with Yellow Referral Slip through which they would be able to avail waivers on their nominal payments towards various dental procedures. Sample Toothpastes, Mouthwashes and Toothbrushes were distributed out of goodwill to all the school children and others who were examined at the camp.

Department of Public Health Dentistry organized a dental camp at Regenta Suites, Sector - 49, Gurugram on 8th February, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Associate Prof. & Head, Department of Public Health Dentistry). Team members include - Postgraduate student- Dr. Mahima Yadav (Dept. of Public Health Dentistry) and interns – Isha Singh, Neha and support staff- Mr. Devesh.

People of all ages enthusiastically participated in the dental camp. 31 individuals including 28 males and 3 females were examined. During the examinations, a number of dental problems were found (Dental caries, Gingivitis). The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues.

Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in association with SGT Admission Team conducted oral health screening program on 10th February, 2025 (Monday) at Happy Model School, Janakpuri, New Delhi.

The Dental team took initiative under the guidance of Dr. Charu Khurana (Associate Prof. & Head). The Dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Department of Public Health Dentistry) along with 5 Interns Jyoti, Isha, Harsh, Kabir, Muskan, Jhanak and 1 attendant- Mr.Sunil. A total of 278 students from classes Nursery to XIIth were examined. Along with students, oral health examination was done for some of the teachers and supporting staff members in the school.

An oral health talk session was delivered which included importance of brushing, procedure of mouthwash usage and oral hygiene instructions. Doubts regarding toothbrushing technique, oral hygiene products and questions raised by students during oral health talk session were also answered. Oral Health Education was imparted regarding the importance of adopting a healthy lifestyle through brushing techniques, models and charts. The purpose of the Oral Health drive was to create awareness among the students and make them understand the importance of oral health care. Students who required dental treatment were referred to SGT Dental hospital for further treatment.

15. Number & Description of Beneficiaries:

The Beneficiaries were students of Happy Model School, Janakpuri from Classes Nursery to XIIth as well as teaching and non-teaching staff members. 278 students came forward for their Dental Check-up. Children were given demonstrations for brushing technique. Majority of the students had good oral hygiene however some children had Dental Caries, grossly decayed teeth and extrinsic stains.

16. Outcome of the Activity & its relevance to Health Sciences:

The activity was well appreciated by the School Authorities. Proper brushing technique was demonstrated to educate the children and their teachers regarding the importance of proper oral hygiene maintenance. Two hundred and seventy-eight students were examined. Young Children were also shown educational videos to reinforce the oral health education imparted to them. The interns worked in tandem and learnt the nuances of working at an outreach setting in a school setting while realizing the importance of good teamwork and soft skills related to patient management at an outreach setting.

Lecturer, Dept. of Public Health Dentistry) along with 5 interns – Tanya, Ayushi, Jyoti, Jhanak, Palak along with Mr. Devesh accompanied us. Dental checkup of 272 children were done.

Emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Admission Team organized a dental camp as well as medical camp on 22nd January 2025 at Sri Ram International School, Najafgarh, New Delhi.

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Professor and Head, Department of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal (Assitant Professor, Dept. of Public Health Dentistry), Interns – Harsh, Kabir, Tanya, Jyoti, Muskan and Attendant – Mr. Devesh

Dental checkup of 475 students (Females - 220 ; Males – 255), took place.

Patients requiring treatment were referred to SGT Dental College. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the students by faculty and the interns.

Oral Health Education was also delivered among employees by demonstrating brushing technique using toothbrush and mouth model.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

47. Number & Description of Beneficiaries:

Dental checkup of 475 students (Females - 220 ; Males – 255), took place.

67. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

68. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Nimbus Harbor, Sushant Lok, Gurugram on 14th February, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Associate Prof. & Head, Department of Public Health Dentistry). Team members include - Postgraduate student- Dr. Mahima Yadav (Dept. of Public Health Dentistry) and interns – Palak, Aayushi and support staff- Mr. Aparn.

People of all ages enthusiastically participated in the dental camp. 36 individuals including 35 males and 1 female were examined. During the examinations, a number of dental problems were found (Dental caries, Gingivitis). The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues.

123. Objective of the Activity:

To create awareness among the participants about common oral diseases and to Promote Good Oral Health Practices.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing Team organized a dental camp on 18th February, 2025, at Rewari, Haryana.

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Professor and Head, Department of Public Health Dentistry).

The dental team was headed by Interns- Isha Dogra & Muskan, and Attendant – Mr. Aparn

Dental checkup of 441 Patients (Females– 178; Males- 263) , Treatment (Scaling Root Planning) of 2 patients who were residents of Sarai Village, Haryana took place.

Patients requiring treatment were referred to SGT Dental College. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the interns.

Oral Health Education was also delivered among employees by demonstrating brushing technique using toothbrush and mouth model.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

To create awareness among the people about common oral diseases and to Promote Oral Health.

133. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Kendriya Vidyalaya Gole Market, Delhi on 19th February, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Associate Prof. & Head, Department of Public Health Dentistry). Team members include - Postgraduate student- Dr. Mahima Yadav (Dept. of Public Health Dentistry) and interns – Palak, Kajal Gulia, Muskan, Shivani, Varushi and support staff- Mr. Sunil.

People of all ages enthusiastically participated in the dental camp. 184 individuals including 104 males and 80 females were examined. During the examinations, a number of dental problems were found (Dental caries, Gingivitis). The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues.

18. Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in association with SGT Admission Team conducted oral health screening program on 21st and 22nd February, 2025 (Friday and Saturday) at GD Lancer Public School, New Delhi.

The Dental team took initiative under the guidance of Dr. Charu Khurana (Associate Prof. & Head). The Dental team was headed by Dr. Surbhi Priyadarshi (Senior Lecturer, Department of Public Health Dentistry) along with 6 Interns Harsh, Kabir, Aayushi, Palak, Mehak, Tanya, Jyoti and attendant-Mr. Aparn and Mr. Sunil. A total of 1092 students from classes Nursery to XIIth were examined. Along with students, oral health examination was done for some of the teachers and supporting staff members in the school.

An oral health talk session was delivered which included importance of brushing, procedure of mouthwash usage and oral hygiene instructions. Doubts regarding toothbrushing technique, oral hygiene products and questions raised by students during oral health talk session were also answered. Oral Health Education was imparted regarding the importance of adopting a healthy lifestyle through brushing techniques, models and charts. The purpose of the Oral Health drive was to create awareness among the students and make them understand the importance of oral health care. Students who required dental treatment were referred to SGT Dental hospital for further treatment.

19. Number & Description of Beneficiaries:

The Beneficiaries were students of Sri Ram International School, Najafgarh from Classes Nursery to Vth as well as teaching and non-

teaching staff members. 1092 students came forward for their Dental Check-up. Children were given demonstrations for brushing technique. Majority of the students had good oral hygiene however some children had Dental Caries, grossly decayed teeth and extrinsic stains.

20. Outcome of the Activity & its relevance to Health Sciences:

The activity was well appreciated by the School Authorities. Proper brushing technique was demonstrated to educate the children and their teachers regarding the importance of proper oral hygiene maintenance. One thousand and ninety two students were examined. Young Children were also shown educational videos to reinforce the oral health education imparted to them. The interns worked in tandem and learnt the nuances of working at an outreach setting in a school setting while realizing the importance of good teamwork and soft skills related to patient management at an outreach setting.

27. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

28. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Sector-11, Gurugram on 22th February, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Associate Prof. & Head, Department of Public Health Dentistry). Team members include - Postgraduate student- Dr. Mahima Yadav (Dept. of Public Health Dentistry) and interns – Ishan, Rohit, Mahi, Parul, Neha, Ankita and support staff- Mr. Devesh.

People of all ages enthusiastically participated in the dental camp. 40 individuals including 18 males and 19 females were examined. Treatment to 11 patients were provided in Mobile Dental Van on camp site. During the examinations, a number of dental problems were found (Dental caries, Gingivitis). The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues.

40. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

41. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Sector - 7, Gurugram on 25th February, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Associate Prof. & Head, Department of Public Health Dentistry). Team members include - Postgraduate student- Dr. Mahima Yadav (Dept. of Public Health Dentistry) and interns –Tanya, Jyoti, Kajal Gulia and support staff- Mr. Aparn.

People of all ages enthusiastically participated in the dental camp. 25 individuals including 06 males and 17 females were examined. During the examinations, a number of dental problems were found (Dental caries, Gingivitis). The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues.
