4. **Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken**

Under the guidance and direction of Hon'ble Health Minister of Haryana, Smt. Arti Rao, the Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University, Gurugram, organized a comprehensive dental checkup and treatment camp as a part of the launch of the month-long activities in celebration of World Oral Health Day 2025. The camp was held with the objective of promoting oral health awareness and providing preventive and curative dental services to the underserved communities, aligning with the global theme for World Oral Health Day 2025 – “A Healthy Mouth is a Happy Mind.” The team was led by Dr. Charu Khurana, Associate Professor and Head, Public Health Dentistry, Faculty of Dental Sciences, SGT University witnessed an encouraging footfall with a total outpatient attendance (OPD) of 74 individuals, which included 42 males and 32 females from the nearby areas. The camp was conducted using University's state-of-the-art Mobile Dental Van, equipped to handle on-site diagnostics and treatments. During the camp, 16 patients underwent oral prophylaxis, 5 patients had intraoral radiographs and 2 patients received tooth extractions, ensuring relief and improved oral health. Alongside treatment, a dedicated oral health education session was conducted where attendees were educated on the importance of oral hygiene and demonstrated correct brushing techniques, flossing methods, and other preventive oral care practices. Special emphasis was laid on the harmful effects of tobacco in any form, and personalized tobacco cessation counseling was provided to several individuals identified as tobacco users, aiming to guide them towards a healthier

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

lifestyle. As part of the university's ongoing commitment to community health, free oral hygiene kits containing toothbrushes, toothpaste, mouthwash, and educational brochures were distributed among all attendees. In addition, basic medications such as analgesics and antibiotics were given as per individual patient needs. Patients requiring complex or specialized treatment were referred to the SGT Dental Hospital and issued concessional rate cards to ensure affordable follow-up care. The program garnered significant attention and was covered by local newspapers and mass media, highlighting the university's initiative and the government's commitment to promoting oral health at the grassroots level. The coverage in the media the following day helped amplify the message of oral health awareness, reaching a wider audience and encouraging more participation in the upcoming month-long World Oral Health Day events. The camp concluded on a highly positive note, with patients expressing their gratitude for the free services and expert guidance provided. The active involvement of the community, along with the presence of trained dental professionals and the support of the Haryana Government, ensured that the event was not only a medical outreach but also a successful educational and behavioral change initiative. Overall, the camp served as a bridge connecting SGT University's vision with community welfare, truly reflecting the essence of this year's theme – that a healthy mouth indeed contributes to a happy mind.

5. **Number & Description of Beneficiaries:**

Total patients examined: 74

Males: 42

Females: 32

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

6. **Outcome of the Activity& its relevance to Health Sciences:**

The camp successfully provided essential oral health services and education to the rural population, promoting preventive practices and early intervention. It reinforced the critical role of oral health in overall well-being, aligning with the broader goals of health sciences to improve quality of life through integrated, community-based care.

13. Objective of the Activity:

To create awareness among the participants about common oral diseases and to Promote Good Oral Health Practices.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Publicity Team organized a dental camp as well as medical camp on 2nd March 2025, at Alwalpur, Rewari, Haryana

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Professor and Head, Department of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry, PG- Dr. Supayan (MDS PG -Department of Oral & Maxillofacial Surgery), Interns –Isha, Rohit, Abhishek, Vikash, Ishan, Kartik, Madhur. Attendant – Mr. Sombir & Mr. Devesh

Dental checkup of 51 Patients (Females– 14; Males –37; Boy- 3, Girl-3), who were residents of Alwalpur, Rewari, Haryana took place. Treatments like scaling & root planning, extraction, restorations along with recording of Intra Oral Periapical Radiograph was taken place among the patients.

Patients requiring treatment were referred to SGT Dental College. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the interns.

Oral Health Education was also delivered among employees by demonstrating brushing technique using toothbrush and mouth model.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

22. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

23. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Sector-92, Gurugram on 06th March, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Associate Prof. & Head, Department of Public Health Dentistry). Team members include - Postgraduate student- Dr. Mahima Yadav (Dept. of Public Health Dentistry) and interns – Ishan, Rohit, Mahi, Abhishek, Neha, Harsh and support staff- Mr. Sunil.

People of all ages enthusiastically participated in the dental camp. 62 individuals including 49 males and 13 females were examined. Treatment to 07 patients were provided in Mobile Dental Van on camp site. During the examinations, a number of dental problems were found (Dental caries, Gingivitis). The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success,

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY

7. *Objective of the Activity:*

To create awareness among the people about common oral diseases and to Promote Oral Health.

8. *Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:*

Department of Public Health Dentistry organized a dental camp at Rajiv Nagar, Haryana on 2nd March, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Asso. Prof. & Head, Department of Public Health Dentistry). Ankita, Parul, Mehak (interns) and support staff- Mr.Aparn were the team members for the camp.

People of all ages in the neighbourhood enthusiastically participated in the dental camp. 12 individuals including 4 males and 8 females were examined. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.

31. Objective of the Activity:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with marketing team organized a dental camp on 11th March, 2025 in Pota District

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Prof. and Head, Public Health Dentistry). The dental team was headed by 2 interns – Ayushi, Palak along with Mr. Sunil accompanied us. Dental checkup of 11 adults were done.

Emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

42. Objective of the Activity:

To create awareness among the participants about common oral diseases and to Promote Good Oral Health Practices.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing Team organized a dental camp on 18th February, 2025, at Rewari, Haryana.

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Professor and Head, Department of Public Health Dentistry).

The dental team was headed by Interns- Palak, Ayushi, Ishan, and Attendant – Mr. Sunil

Dental checkup of 11 Patients (Females– 8; Males- 3; Children- 3), who were residents of Rewari, Haryana took place.

Patients requiring treatment were referred to SGT Dental College. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the interns.

Oral Health Education was also delivered among employees by demonstrating brushing technique using toothbrush and mouth model.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

75. Objective of the Activity:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with Publicity team organized a dental as well as medical camp on 22nd March, 2025 at Ateli, Haryana.

The dental team took initiative under guidance of Dr. Charu Khurana (Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 2 postgraduates Dr.Swati (Oral Surgery), Dr.Vaishnavi (PG, Endodontist) and 5 interns – Tara, Parul, Tanya, Jyoti, Abhishek along with 1 attendant Mr.Sunil accompanied us. Dental checkup of 64 adults and children were done.

On account of celebration of World Oral Health Day, emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose. Those who required treatment were given treatment like oral prophylaxis, restorations, extractions. Radiograph was taken for patients who required investigations.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The children and adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults and children.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

88. *Objective of the Activity:*

To create awareness among the people about common oral diseases and to Promote Oral Health.

89. *Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:*

Department of Public Health Dentistry organized a dental camp at Rajiv Nagar, Haryana on 22nd March, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Asso. Prof. & Head, Department of Public Health Dentistry). Isha and Varushi (interns) and support staff- Mr.Aparn were the team members for the camp.

People of all ages in the neighbourhood enthusiastically participated in the dental camp. 10 individuals including 4 males and 6 females were examined. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.

(UGC & AICTE Approved) Gurugram, Delhi-NCR

postgraduate students – Dr. Jai (Dept. of Prosthodontics), Dr. Bobby (Dept. of Oral Surgery) and interns Ankita, Dugi, Deepa, Sakshi, Surbhi and support staff- Mr.Devesh & Mr. Aparn.

People of all ages in the neighbourhood enthusiastically participated in the dental camp. 66 individuals including 37 males and 29 females were examined. 25 patients were given treatment in mobile dental van at camp site. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues and offering vital dental care.

Place - Sidwa Village

Interview Feedback

Date - 23rd March, 2025 (Sunday)

The camp organized at Sidwa Village was really informative for all of us as it gave us exposure of different treatments including ^{obtaining} IOPAR ~~data~~ developing the films at ^{camp} outreach setting.

The camp really gave us a brief idea about different procedures carried out at outreach set-ups.

115. Objective of the Activity:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with publicity team organized a dental camp on 25th March, 2025 in Taj Nagar, Farrukhnagar.

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Prof. and Head, Public Health Dentistry). The dental team was headed by 2 interns – Ankita,Varushi along with Mr. Aparn accompanied us. Dental checkup of 13 adults and children were done.

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

Emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

138. Objective of the Activity:

To create awareness among the participants about common oral diseases and to Promote Good Oral Health Practices.

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Marketing Team organized a dental camp on 18th February, 2025, at Rewari, Haryana.

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Professor and Head, Department of Public Health Dentistry).

The dental team was headed by Interns- Isha Dogra & Muskan, and Attendant – Mr. Aparn

Dental checkup of 30 Patients (Females– 15; Males- 15; Children- 16), Treatment (Scaling Root Planning) of 2 patients who were residents of Sarai Village, Haryana took place.

Patients requiring treatment were referred to SGT Dental College. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the interns.

Oral Health Education was also delivered among employees by demonstrating brushing technique using toothbrush and mouth model.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

158. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

159. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at CHC Farrukh Nagar, Haryana on 27th March, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Associate Prof. & Head, Department of Public Health Dentistry). Team members include - interns – Mahi, Harsh and support staff- Mr. Devesh.

People of all ages enthusiastically participated in the dental camp. 03 individuals including 01 male and 02 females were examined. During the examinations, a number of dental problems were found (Dental caries, Gingivitis). The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues.

167. E Brochure/Banner (if made)-

168. Objective of the Activity:

To create awareness on the occasion of World Oral Health Day, among the participants about common oral diseases and to Promote Good Oral Health Practices.

On the occasion of World Oral Health Day, The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with Helpage India Team organized a dental camp on 28th March 2025, at Jhajjr, Haryana

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Professor and Head, Department of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry, PG- Dr. Supayan (MDS PG -Department of Oral & Maxilofacial Surgery), Interns – Isha Dogra, Muskan, Varushi, Jyoti, Tanya, Neha, Attendant – Mr. Devesh

Dental checkup of 24 Patients (Females– 6; Males –11; Children 7), who were residents of at Jhajjr Haryana took place. Treatments like scaling & root planning too place in Mobile Dental Van.

Patients requiring treatment were referred to SGT Dental College. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

enquire and gain knowledge concerning oral health.

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the interns.

Oral Health Education was also delivered among employees by demonstrating brushing technique using toothbrush and mouth model.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

169. Number & Description of Beneficiaries:

191. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken: *The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with Dental Xpertz, SGT University organized a dental camp on 29th March, 2025 at Gurgaon Greens Village Dhankot, Gurugram to continue the celebration of World Oral Health Day, 2025. A total of 22 patients including 11 males and 11 females were examined. Of which 03 patients were treated in mobile dental van at camp location. Patients who required complex dental treatment were referred to SGT Dental Hospital for further procedures. Oral health education was imparted to the people and proper brushing technique was demonstrated using posters. Oral hygiene kits were also distributed to patients. The general population gave positive feedback and appreciated the check up and patient care provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion. The purpose of the Oral Health check-up was to create awareness among the community and make them understand the importance of oral health.*

200. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

201. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Rajpura Farrukh Nagar, Haryana on 29th March, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Associate Prof. & Head, Department of Public Health Dentistry). Team members include - interns – Ankita, Isha Singh and support staff- Mr. Sunil.

People of all ages enthusiastically participated in the dental camp. 27 individuals including 13 male and 14 females were examined. During the examinations, a number of dental problems were found (Dental caries, Gingivitis). The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues.

212. *Objective of the Activity: To create awareness among the people about common oral diseases and to Promote Dental Health.*
213. *Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken: The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with Marketing Team, SGT University organized a dental camp on 21st March, 2025 at Faridpur Village, Gurugram to continue the celebration of World Oral Health Day, 2025. A total of 12 patients including 04 males and 08 females were examined. Patients who required complex dental treatment were referred to SGT Dental Hospital for further procedures. Oral health education was imparted to the people and proper brushing technique was demonstrated using posters. Oral hygiene kits were also distributed to patients. The general population gave positive feedback and appreciated the check up and patient care provided by the Dental Team. They acknowledged the way the Dental team heard and attended to their problems with compassion. The purpose of the Oral Health check-up was to create awareness among the community and make them understand the importance of oral health.*

Intern's feedback

Place - Rajiv Nagar, Gurugram

It was an amazing experience to be a part of the camp held in Rajiv Nagar, Gurugram. We got to know about how to handle the patients and giving them proper diagnosis. We provided knowledge to the patients about oral hygiene and proper brushing technique. We also gave treatment to the patients for example - oral prophylaxis, extraction etc.

6. *Objective of the Activity:*

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with publicity team organized a dental as well as medical camp on 3rd April, 2025 in Naya Sawera, Sector-82, Gurgaon.

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 4 interns – Dugi, Muskan, Ankita, along with Mr. Devesh accompanied us. Dental checkup of 94 children were done.

In lieu of month long “World Oral Health Day” celebrations, emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

With the involvement of every single member of the dental team and their enormous efforts, motive of the dental camp was achieved to its maximum.

INTERVIEW FEEDBACK :

The camp held on 2nd April 2025 at Naya Naya Saneen, Sec 82 Gurugram was quite an amazing experience for us. It was humbling to see how children from different backgrounds were given an opportunity to learn and live. The dental check up was also very successful because of the co-operative children who were submissive & well-mannered to understand the dental hygiene advice we gave. We distributed free toothbrushes, paste & distributed pamphlets regarding 'Oral Health'. We referred some students to SGT dental hospital for further treatment. Overall, it was a successful dental camp where awareness & activities were provided to the lucky fortunate.

Thanking You.

From
Intern.

40. E Brochure/Banner (if made)-

41. Objective of the Activity:

To create awareness on the occasion of World Oral Health Day, among the participants about common oral diseases and to Promote Good Oral Health Practices.

On the occasion of World Oral Health Day, The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with SGT Admission Team organized a dental camp on 7th April 2025, at Bright Colony School, Farukhnagr, Haryana

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Professor and Head, Department of Public Health Dentistry).

The dental team was headed by Dr. Navodita Jamwal, Assistant Professor, Department of Public Health Dentistry, Interns – Jyoti, Tanya, Khushboo, Ayushi, Palak; Attendant – Mr. Devesh

Dental checkup of 58 Patients (Females– 33; Males –25), who were students from school as well as residents of Farukhnagr, Haryana took place.

Patients requiring treatment were referred to SGT Dental College. All patients were given referral slips. The patients got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral health.

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

Importance of maintaining good and hygienic oral health was verbally delivered to the patients by faculty and the interns.

Oral Health Education was also delivered among students and their parents by demonstrating brushing technique using toothbrush and mouth model.

With the involvement of every single member of the dental team and their enormous efforts, health education and health promotion were achieved at its best.

42. Number & Description of Beneficiaries:

Dental checkup of 58 Patients (Females– 33; Males –25), who were students from school as well as residents of Farukhnagr, Haryana took place.

All the participants who required any kind of dental services were referred to Faculty of Dental Sciences, SGT University, Gurugram, Haryana.

62. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

63. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Joniawas Haryana on 10th April, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Associate Prof. & Head, Department of Public Health Dentistry). Team members include - Postgraduate student- Dr. Mahima Yadav (Dept. of Public Health Dentistry) and interns – Isha Singh, Tara, and support staff- Mr. Sunil.

People of all ages enthusiastically participated in the dental camp. 22 individuals including 13 males and 09 females were examined. During the examinations, a number of dental problems were found (Dental caries, Gingivitis). The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues.

Place Name : Jomnas, Gurugram.
Date : 10th April 2025
Post Graduate : Dr. Mahima Yadav
Instructors : Isha Singh, Tara.
Attendant : Mr. Sunil.

Intern Feedback.

Dental health check-up was held on 10th April 25th at Jomnas, Gurugram. It was a very interactive and humbling experience for us to serve all kinds of patients coming from different backgrounds. The patients were interactive and took our oral health advice seriously. We also distributed free toothbrushes, tooth paste & mouthwashes. We demonstrated brushing techniques and counselled patients for Tobacco Cessation. Awareness was spread regarding plaque consequences. The patients reciprocated positively.

Tara Dugi and Isha Singh
(Intern) (Isha.S)
D. Tara, Intern.

87. Objective of the Activity:

To create awareness among the people about common oral diseases and to Promote Oral Health.

88. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Aklimpur Village, Haryana on 15th April, 2025. The camp included dental team members, under the guidance of Dr. Charu Khurana (Associate Prof. & Head, Department of Public Health Dentistry). Team members include - Postgraduate student- Dr. Mahima Yadav (Dept. of Public Health Dentistry) and interns – Isha Singh, Muskan, Mahi, Parul, Neha, Ankita and support staff- Mr. Aparn.

People of all ages enthusiastically participated in the dental camp. 23 individuals including 13 males and 10 females were examined. Treatment to 05 patients were provided in Mobile Dental Van on camp site. During the examinations, a number of dental problems were found (Dental caries, Gingivitis). The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was a huge success, accomplishing its goals of raising community awareness of oral health issues.

Interns feedback

Place - Aklampur Village

It was an amazing experience to be a part of the camp held in Aklampur village. We got to know about how to handle different kinds of patients and giving them proper diagnosis. We also provided them treatments for example - oral prophylaxis, extraction etc.

149. Objective of the Activity:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University in collaboration with publicity team organized a dental as well as medical camp on 23rd April, 2025 in Government Primary School, Tajnagar, Gurgaon

The dental team took initiative under guidance of Dr. Charu Khurana (Associate Prof. and Head, Public Health Dentistry). The dental team was headed by Dr. Rangoli Srivastava (Senior Lecturer, Dept. of Public Health Dentistry) along with 4 interns – Deepa, Deepshikha, Radhika, Pearl along with Mr. Devesh accompanied us. Dental checkup of 34 children were done.

Emphasis was done on motivating patients to maintain good oral hygiene. Toothpaste and toothbrushes were distributed among the patients on account of the same purpose.

Positive feedback was obtained from participants. Cases requiring complex treatment were referred to SGT Dental College. All patients were given referral slips. The adults got ample opportunities to interact with the dental surgeons to enquire and gain knowledge concerning oral diseases. Necessary oral hygiene instructions were given to required adults.

Importance of maintaining good and hygienic oral health was verbally delivered to the children and adults.

162. Objective of the Activity:

- 163. To sensitize the students through their teachers regarding importance of their oral health.**
- 164. To provide oral health check-up for children and educate them regarding their oral health status.**

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

165. Brief Write-up (300 -500 words) on the event(s)explaining activities undertaken:

The Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University conducted oral health screening program on 24th and 25th April, 2025 at Good Shephard Pre School, Gurugram. A total of 282 students from classes Pre-Nursery to 2nd were examined. Along with students, oral health examination was done for some of the teachers and supporting staff members in the school. An oral health talk session was delivered which included importance of brushing, procedure of mouthwash usage and oral hygiene instructions. Doubts regarding toothbrushing technique, oral hygiene products and questions raised by students during oral health talk session were also answered. Oral Health Education was imparted regarding the importance of adopting a healthy lifestyle through brushing techniques, models and charts. The purpose of the Oral Health drive was to create awareness among the students and make them understand the importance of oral health care. Students who required dental treatment were referred to SGT Dental hospital for further treatment.

166. Number & Description of Beneficiaries:

The Beneficiaries were students of Good Shephard pre- school from Classes Nursery to 2nd as well as teaching and non-teaching staff members. 282 students came forward for their Dental Check-up. Children were given demonstrations for brushing technique. Majority of the students had good oral hygiene however some children had Dental Caries, grossly decayed teeth and extrinsic stains.

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

167. Outcome of the Activity & its relevance to Health Sciences:

The activity was well appreciated by the School Authorities. Proper brushing technique was demonstrated to educate the children and their teachers regarding the importance of proper oral hygiene maintenance. 282 students were examined. Young Children were also shown educational videos to reinforce the oral health education imparted to them. The interns worked in teams and learnt the nuances of working at an outreach setting in a school setting while realizing the importance of good teamwork and soft skills related to patient management at an outreach setting.

168. Relevant Photographs with captions (preferably geo-tagged & High-resolution images – to be mailed as separate attachments along with placement in word file also) – 4 to 6 Photographs

174. E Brochure/Banner (if made)-

175. Objective of the Activity:

To create awareness, oral health checkup and provide possible oral health treatments among the people about common oral diseases.

176. Brief Write-up (300 -500 words) on the event(s) explaining activities undertaken:

Department of Public Health Dentistry organized a dental camp at Atal Seva Kendra, Ghubana, Badli on 24th April 2025. The camp was organized through collaborative efforts of SGT Hospital Publicity Team which takes care of the social development of people especially health related, residing in and around SGT University campus. People of all ages in the neighborhood enthusiastically participated in the dental camp. A total of around 50 individuals participated for all the available health-related services out of

SGT UNIVERSITY

SHREE GURU GOBIND SINGH TRICENTENARY UNIVERSITY
(UGC & AICTE Approved) Gurugram, Delhi-NCR

which around 20 individuals including 3 males and 17 females were examined for oral health issues. During the examinations, a number of dental problems were found, enabling prompt intervention and treatment. The camp helped to avert more severe oral health issues by addressing these issues at an early stage. The camp was able to accomplish its goals of raising community awareness of oral health issues and offering vital dental care. People who needed advanced dental care were referred to the main campus Dental Clinics with Yellow Referral Slip through which they would be able to avail waivers on their nominal payments towards various dental procedures. Sample Toothpastes, Mouthwashes and Toothbrushes were distributed out of goodwill to all the school children and others who were examined at the camp.

177. Number & Description of Beneficiaries:

Total- 20

Male- 03

Female- 17

178. Outcome of the Activity & its relevance to Health Sciences:

20 Patients were examined, out of which-

179. *65% patients were diagnosed with Dental Caries,*

180. *70% patients were diagnosed with Gingival Disease.*

All the patients who required any kind of dental services were referred to SGT Dental College, Gurugram.

Reliance - Camp

Place - Sondhi Village, Thajjar

Students feedback

It was a great interactive experience with people of different age groups inquisitive about their overall oral health, held in sondhi village, Thajjar. There were a great variety of patients and we learnt to give them proper diagnosis. We also provided treatment to the patients for example - oral prophylaxis, extractions, etc.
