

LEGAL MANTHAN

Legal Manthan, is an Academic Association of students of the Faculty of Law, SGT University. The name '*Legal Manthan*' was coined by Faculty of Law, SGT University in 2019. It aims at cultivating deep pondering, contemplation and analytical thought over contemporary legal issue amongst students to acquire and enhance legal knowledge. The key main purposes of Legal Manthan, an Academic Association of students are:

- To create awareness about contemporary legal issues.
- To promote interdisciplinary understanding of legal problems.
- To bridge the gap between law and lawyers as a profession and other student and provide them a forum to discuss and deliberate regarding social ethical and legal issues
- To facilitate students of other disciplines in understanding legal aspects of legal issues.
- To promote strong foundation amongst students about legal developments and issues.

The membership to the academic association is subjected to the categories/types and state eligibility criteria or qualifications for each of the students as per the bye laws of the academic association. Since it is an Academic Association of students the responsibility to run the association is on the Student Executive Committee (SEC). The positions for student officer of the association include a President, a Vice President, a Secretary, a Joint Secretary, a Treasurer, a Coordinator and Four (04) Executive Committee Members.
